MISSION

To be a world-class institution in the field of higher education and research dedicated to quality education in Management and Information Technology which will contribute value to the knowledge-based economy and society.

VISION

- To create a centre of excellence in developing high-quality professionals in the field of Management and Information Technology.
- To provide a conducive environment to achieve excellence in teaching-learning, research, and development activities.
- To offer excellent, value-based Post-graduate and Doctoral programs in the field of Management Sciences and Information Technology.
- To focus on the quality of Vocational and skill-based education, inspired by students and admired by the industry globally.

QUALITY POLICY

We are committed to both excellence and Quality in terms of delivery of courses by providing quality education services, which will meet the needs of the corporate world. We shall make a significant contribution to the ongoing prosperity and economic development of the society. Our emphasis is on:

- Specialized higher education for leading edge industries
- Provide the education and training in a way that is innovative and responsive
- Providing regular and part time learning courses to meet specific occupational needs.
- To convert all hurdles of life into great opportunities.
- To satisfy applicable requirements.
- We shall achieve the same by establishing a Quality Management System (QMS) continually improved through involvement of our stakeholders.

FROM THE CHAIRMAN'S DESK

At Yashaswi, we always believe that education at individual level raises self-esteem and furthers opportunities for employment and earnings. And for a country, it helps strengthen institutions within societies, drives long-term economic growth, reduces poverty, and spurs innovation. As the whole world is going through an authentically global crisis, it is also a global turning point. Today the world is facing a learning crisis. While there have been discussions of 21st century competencies that the young minds will need to flourish in a future economy, one in which some of the jobs have not been even invented yet. As the needs of business and society have changed, our emphasis is to imbibe innovative, analytical and visionary skills in the young minds and prepare them for the unforeseen challenges. With the changes, the institute has also evolved and continues to bring about positive changes to prepare future managers for an expanded role in the business world.

With the ever changing and ever evolving management education, we too have evolved and developed extensive modern teaching methodologies that transform ideological thinking to practical thinking that lead to ideas that are out of the box and triggers creativity. Our faculty is continuously engaged in academic research, corporate training and industry consultancy assignments for keeping abreast with times Yashaswi's IIMS aims at creating an exciting and engaging environment for students to pursue their studies as well as engage in activities that will make them successful human beings.

As we successfully complete 13 years of academic excellence, we renew our commitment time and again to uplift the standard of education and to establish ourselves as a reputed and valuable contributor to the society. It is my great pleasure to welcome the highly talented generation of today to become a part of Yashaswi Education Society's 'International Institute of management Science.

Mr. Vishwesh Kulkarni

Chairman – Yashaswi Group

FROM THE MANAGING DIRECTOR'S DESK

“You cannot lead unless you are future-oriented” -C.K Prahlad

From Galileo, Newton to Steve Jobs, Mark Zuckerberg, people with skill and commitment have harped on innovations and developments out of the inherent urge that pushes one to the end. In order to survive in this fast evolving world, one should be able to identify new opportunities by focusing on the weak signals. Creating an adept work force for the 21st century is a challenging task. With this aim in mind we strive hard to innovate, develop and deliver in our courses and the other activities in a well-organized manner. We at IIMS have always believed in the complete development of an individual and see a potential leader in every student, treat every mind with the respect that is deserving of one who is to achieve greatness. The institute believes in making a rich learning environment by providing the best facilities and the latest resources which help the students widen their horizons and learn better. The determined effort that we have put behind our student development has helped all our students to become competent individuals who add value to the society.

Today, IIMS looks beyond the frontiers of formal and traditional education and hope to emerge and be recognized in the coming years as a place for shaping and creating the next generation professionals

I wish you all success and look forward to a wonderful experience with you!

Dr. Abhishek Kulkarni
Managing Director- Yashaswi.

FROM THE DIRECTOR'S DESK

India is going to a high economic growth trajectory and become an economic power next to the USA and China in the 21st Century. The purpose of the management education should be, therefore, to develop globally competitive professional managers who could contribute to the building up a strong national industrial and business base to ensure this dynamic. The management students would be judged not by their personality but by their knowledge, wisdom, creativity, forward looking approach, analytical skills, and capability to cope up with business risks, communication skills and innovative ideas.

Yashaswi's IIMS has always been quick to grasp the changing requirements of the business/corporate world and has taken necessary actions in the form of introducing additional courses to the students. On these lines, we also focus on frequent industry interaction, to know our employer expectations. Our dedicated faculties ensure personalized attention to students and are ever willing to be available to the alumni too.

Maintaining a strong connection has always been an essential part of the culture at Yashaswi and it is evident from the close linkages which we have with our alumni. Today we can proudly say that our alumni are doing exceptionally well in their careers in India and abroad while staying engaged with their Alma mater.

On behalf of Yashaswi's IIMS, I am very happy to welcome our next batch of exuberant, young aspirants to the Institute. We look forward to our new entrants to come up to the expectations of the Institute and be part of this dynamic momentum that we have set for ourselves.

Dr. Shivaji D. Mundhe

Director- IIMS

FROM THE COORDINATOR'S DESK

To be a successful leader, one must possess the ability to unite individuals from diverse backgrounds and seemingly conflicting goals, fostering a shared purpose. If you are on the path to leadership, you likely enjoy thinking creatively, motivating and guiding others, exploring new approaches, and making intuitive judgments. Genuine leaders exhibit strong analytical and problem-solving skills. The character of an individual is a fundamental ingredient for success.

At IIMS, we have consistently nurtured our students to develop their inherent leadership qualities and shape their characters. Our emphasis on honesty, fair play, and integrity significantly contributes to the success of our alumni as they venture into the world. Our real strength lies in the alumni who occupy key positions in leading businesses and government organizations across the globe. Some have even become successful entrepreneurs, creating wealth and employment opportunities in the country.

As our nation aspires to greatness, IIMS plays a pivotal role by contributing through its students, who are the future leaders of the nation."

SESSION ON PROTECTION OF THE RIGHTS OF CHILDREN AGAINST PRODUCTION, DISTRIBUTION AND CONSUMPTION OF CHILD SEXUAL ABUSE MATERIAL (CSAM)

Yashaswi Education Society's International Institute of Management Science (IIMS) organized a Session on Protection of the Rights of Children against Production, Distribution and Consumption of Child Sexual Abuse Material (CSAM) on – 24th November 2023. Students of MBA & MCA were present for the programme.

Dr. Shivaji Mundhe, Director International Institute of Management Science (IIMS) welcomed the participants and briefed about the agenda and purpose of the session. He said that it is imperative to recognize the severity of this issue and the profound impact it has on the lives of innocent children. Our collective responsibility is to address this heinous crime, safeguard the well-being of children, and ensure a safer and more secure future for the generations to come.

Prof. Nishant Pachpor started the session by discussing the scope of the problem. He said, that Child Sexual Abuse Material poses a severe threat to the physical and psychological well-being of children worldwide. The proliferation of digital technologies has facilitated the rapid production, distribution, and consumption of such material, making it imperative for us to unite in our efforts to combat this menace. The gravity of this issue necessitates a comprehensive understanding of its various dimensions, including its root causes, societal impact, and the role of technology.

Prof. Nishant elaborated on various ways for preventing the production, distribution, and consumption of CSAM. It requires a multi-faceted approach. Education plays a pivotal role in creating awareness about the consequences of these actions, both for the victims and the perpetrators. Empowering children, parents, educators, and communities with the knowledge and tools to recognize and report potential cases is essential in preventing the initial occurrence and reducing the demand for CSAM.

He said, the protection of children against the production, distribution, and consumption of CSAM demands a collective, global effort. By strengthening legal frameworks, promoting international cooperation, implementing preventive measures, leveraging technology responsibly, and supporting victims and rehabilitation programs, we can work towards eradicating this grave violation of children's rights.

The session was concluded with vote of thanks by Dr. Pushpraj Wagh.

LIVE WEBCAST OF INAUGURAL ADDRESS BY HON'BLE PRIME MINISTER ON LAUNCH CEREMONY OF 'VIKSIT BHARAT@2047'

Yashaswi Education Society's International Institute of Management Science made arrangements for Students, teachers and Staff to view the address of Hon'ble Prime Minister Shri Narendra Modi on the occasion of launch of a major initiative called 'Viksit Bharat@2047' on 11th December 2023 at 10:15am.

Dr. Shivaji Mundhe welcomed all students, staff and faculty members for the live webcast of Hon. Hon'ble Prime Minister of India, Shri Narendra Modiji on launch of 'Viksit Bharat@2047'.

Director Dr. Mundhe informed students and faculty members about the purpose and importance of the programme.

Students, faculty, and staff participated in the live telecast/webcast of the inaugural Session addressed by Hon'ble Prime Minister of India, Shri Narendra Modiji.

In his inaugural address, Shri Narendra Modiji said that every country experiences a phase in its history when it propels its developmental journey multiple folds ahead. It's like the 'Amrit Kaal' (golden era) for that nation. For Bharat, this 'Amrit Kaal' has arrived now. This is the period in the history of Bharat when it is about to take a quantum leap. There are numerous examples around us of countries that have, at a certain point in time, taken such a quantum leap and transformed themselves into developed nations. That's why I say, now is the time for Bharat, this is the right time. We must make the most of every moment of this 'Amrit Kaal'; we can't afford to lose even a single moment.

He said, every individual, every institution, every organization must move forward with the pledge that whatever I do, it should be for a 'Viksit Bharat'. Your goals, your resolutions should have only one aim – 'Viksit Bharat'. As a teacher, think about what you can do to help the country achieve the goal of a 'Viksit Bharat'. As a university, think about what you can do to

make Bharat developed rapidly. In whatever field you are in, think what and how it can be done so that Bharat moves ahead rapidly on its path to becoming developed?

Further Shri Modi said that we need to walk the roadmap of progress, and it won't be solely determined by the government; the nation will shape it. Every citizen will have to give his input and actively participate in it. 'Sabka Prayas', meaning everyone's effort, is a mantra that turns the biggest resolutions into reality.

Participants actively noted the important points discussed by Hon. Shri. Narendra Modi.

The participant staff members and students expressed gratitude for organizing the live Webcast of this event.

Science (IIMS) hosted a guest session on the topic "Trending Technologies in the IT Industry." AI and ML, IoT, blockchain, cybersecurity, or cloud computing and DevOps, cultivating a curious and adaptable mindset will position you as future-ready IT professionals.

Dr. Shivaji Mundhe, Director International Institute of Management Science (IIMS) welcomed the guest Mr Amit Zagade briefed about the agenda and purpose of the programme. Program was coordinated by Prof Yugandhara Patil.

Guest Speaker:

Guest speaker Mr Amit Zagade to discussed the exciting world of trending technologies in the IT industry. In today's rapidly evolving digital landscape, staying updated with emerging trends is essential for your academic pursuits and future professional endeavours. He delves into some of the key technologies shaping the IT industry and explore their potential impact.

Agenda:

Artificial Intelligence (AI) and Machine Learning (ML): AI and ML have become integral components of modern technology solutions, powering intelligent automation, predictive analytics, and personalized experiences. As MCA students, understanding the principles of AI algorithms, including neural networks and deep learning, can unlock opportunities in data science, natural language processing, and cognitive computing.

Internet of Things (IoT): The IoT revolution is transforming the way we interact with our surroundings, connecting devices and enabling data-driven insights across various domains.

Exploring IoT protocols, sensor networks, and edge computing architectures can prepare you for roles in IoT application development, smart infrastructure management, and industrial automation.

Blockchain Technology: Blockchain technology has garnered significant attention for its potential to revolutionize data integrity, transparency, and decentralized governance. As aspiring IT professionals, gaining proficiency in blockchain fundamentals, such as distributed ledgers, smart contracts, and cryptographic hashing, can open doors to careers in blockchain development, cryptocurrency, and digital asset management.

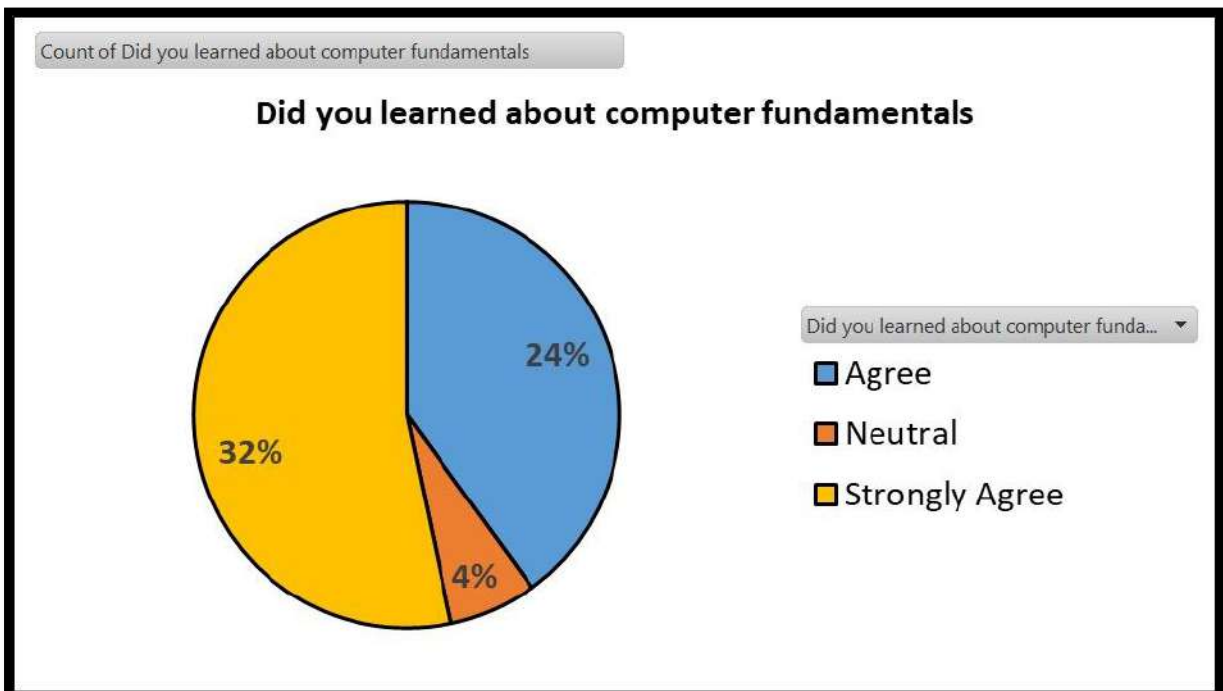

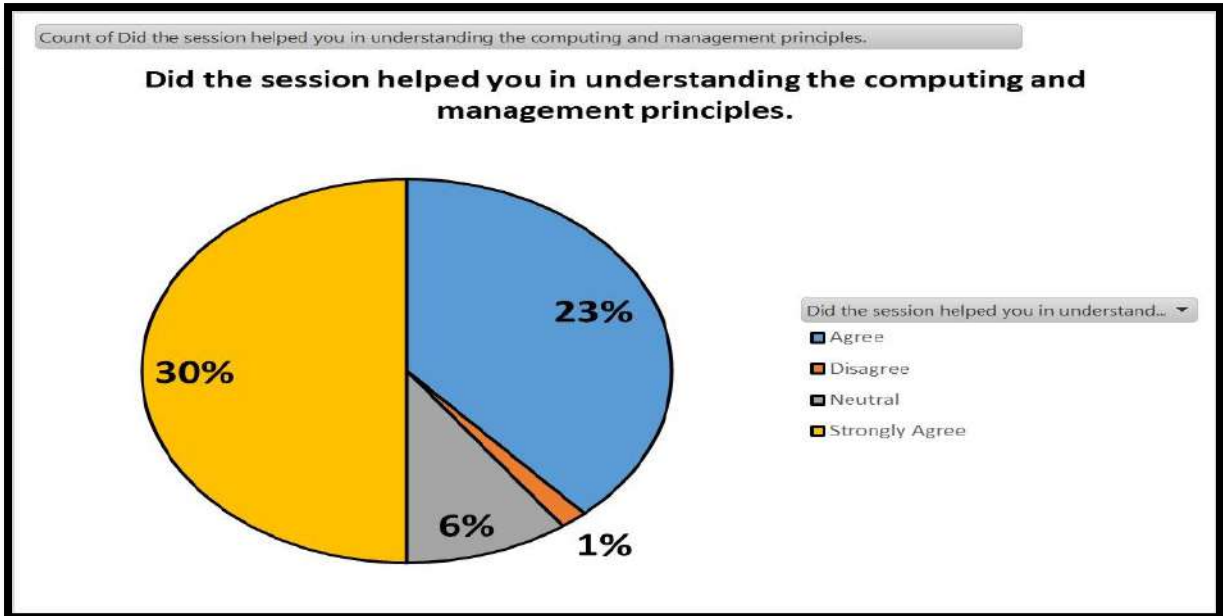

Cybersecurity: In an era of heightened cyber threats, cybersecurity has emerged as a critical imperative for organizations worldwide. Understanding cybersecurity principles, threat detection techniques, and risk mitigation strategies is paramount for safeguarding digital assets and maintaining data confidentiality. Pursuing certifications like Certified Information Systems Security Professional (CISSP) or Certified Ethical Hacker (CEH) can enhance your expertise in cybersecurity domains.

Cloud Computing and DevOps: Cloud computing and DevOps practices have revolutionized software development and deployment methodologies, enabling agility, scalability, and cost efficiency. Familiarizing yourselves with cloud platforms like AWS, Azure, and Google Cloud, as well as DevOps tools and methodologies, can prepare you for roles in cloud architecture, DevOps engineering, and infrastructure management.

cultivating a curious and adaptable mindset will position you as future-ready IT professionals. Remember, the pursuit of knowledge and innovation knows no bounds, and your dedication to continuous learning will propel you towards a rewarding and fulfilling career.

Feedback:

Attendee feedback indicated a high level of satisfaction, with participants expressing appreciation for the clarity of the presentation, the relevance of the topic, and the expertise of the guest speaker.

PO's Mapped:-

PO1: Apply knowledge of computing fundamentals, computing specialization, mathematics, and domain knowledge appropriate for the computing specialization to the abstraction and conceptualization of computing models from defined problems and requirements.

PO7: Recognize the need, and have the ability, to engage in independent learning for continual development as a Computing professional.

PO8: Demonstrate knowledge and understanding of computing and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.

PO11: Function effectively as an individual and as a member or leader in diverse teams and in multidisciplinary environments.

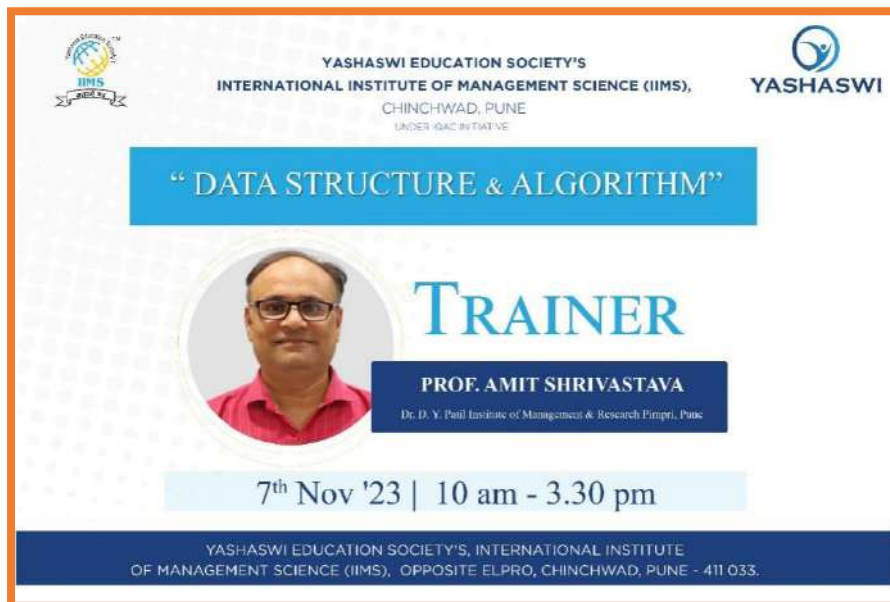

PO12: Identify a timely opportunity and using innovation to pursue that opportunity to create value and wealth for the betterment of the individual and society at large.

In summary, the guest session was a success, contributing to the participants' knowledge **Trending Technologies in the IT Industry** and empowering them with practical insights to enhance the job opportunities. The event showcased Yashaswi Education Society's International Institute of Management Science (IIMS) 's commitment to providing quality educational content on relevant topics in the field of IT.

YASHOFEST 2024

Objectives

1. **Skill Development:** Provide opportunities for students to develop and enhance technical skills relevant to their field of study or future career paths. This could include workshops, hands-on activities, or technical competitions.
2. **Networking Opportunities:** Facilitate networking between students, professionals, and industry experts to help students build valuable connections for future career opportunities and mentorship.
3. **Knowledge Exchange:** Foster an environment for the exchange of ideas, experiences, and knowledge among participants, encouraging collaboration and innovation.
4. **Leadership Development:** Offer opportunities for students to develop leadership skills by organizing and managing aspects of the event, such as planning committees, logistics, or leading workshops.
5. **Career Exploration:** Provide insight into different career paths within the technical and management fields through panel discussions, career fairs, or talks from industry professionals.
6. **Problem-Solving Skills:** Create challenges or case studies that require students to apply their technical and management knowledge to solve real-world problems, fostering critical thinking and problem-solving skills.
7. **Professional Development:** Offer sessions on resume building, interview skills, and professional etiquette to help students prepare for internships, job opportunities, or graduate school applications.
8. **Exposure to Emerging Technologies:** Introduce students to emerging technologies and trends within their field, allowing them to stay updated and competitive in the ever-evolving job market.
9. **Promotion of Innovation and Creativity:** Encourage students to think creatively and innovatively through hackathons, design competitions, or brainstorming sessions focused on addressing industry challenges.

10. **Awareness of Ethical and Social Responsibility:** Incorporate discussions or workshops on ethical considerations, sustainability, and corporate social responsibility within technical and management practices.
11. **Personal Growth and Confidence Building:** Create a supportive environment that encourages students to step out of their comfort zones, take on challenges, and build confidence in their abilities.
12. **Feedback and Evaluation:** Collect feedback from participants to assess the effectiveness of the event and identify areas for improvement in future iterations.

'यशस्वी' संस्थेच्यावतीने जागतिक महिला दिन साहाय्य निमित्ताने पुणे जिल्हातील मुळशी तालुक्यातील वाळेण गावात आयोजित 'संवाद' ग्रामीण भागातील महिलांशी या कार्यक्रमात सहभागी झालेल्या महिलांना महिला, यावेळी ग्रामपंचायती मुख्यालयात वैशाली पाटील, वाळेण गावचे सरपंच संजय साठे, व्याख्यात्या स्वाती महाळंक, माजी उपसरपंच संतोष साठे व यशस्वी संस्थेच्या मीडिया मॅनेजर अलिशा भावसार

जागतिक महिला दिनाच्या उपक्रमाचे सहाय्य प्राप्त अर्थव्यय उपक्रमांचे आयोजन करण्यात येत असले, यात मुलांचे ग्रामीण भागातील महिलांसाठी अत्यावकाशाच्या कार्यक्रमांचे आयोजन होताना दिसून येते. अशा ग्रामीण भागातील महिलांसाठी एकाच उपक्रम आयोजित होताना हजेरा, असे 'यशस्वी' संस्थेचे व्यवस्थापकीय संचालक डॉ.अभिषेक कुलकर्णी यांनी सूचविल्यानुसार पुणे जिल्हातील मुळशी तालुक्यातील यु.पी. वाळेण येथे संवाद ग्रामीण भागातील महिलांशी या उपक्रम याचे आयोजन करण्यात आले.

यु.पी.वाळेण गावचे सरपंच संजय साठे, गावपाचाई मुख्यालय इ.प.प. सोमनाथ महाराज साठे व याची व्यवस्थापक संतोष साठे यांच्या प्रमुख सहाय्याने या उपक्रमाचे आयोजन करण्यात आले.गावातील ग्रामपंचायत याचजाई महिलांच्या प्रागेणत आयोजित करण्यात आलेल्या या कार्यक्रमात जेष्ठ उपकर व साहित्यिक स्वाती महाळंक यांनी गावातील महिलांशी प्रकट संवाद साधला.

महिला, बचत गटातील महिला सदस्य व युवती मीठ्या संस्थेने सहभागी झाल्या होत्या. सहिल्याच्या दु.पाची जाणवूळी बदलते, मात्र दु.ख बदलत नाही, नव्या सोयी सुविधांमुळे महिलांचे जगणे थोडे फार सुखकर झाले असले,मात्र आजची बाहेल अनेक कामांसाठी गुहीत धरते जते, त्यामुळे मी धरित असते, मी गुहीती आहे असे दबक्या आवाजात सांगण्यापेक्षा 'मी घर सांभाळते'असे आवाजात अभिमानाने सांगता यायला हवे, असे मत स्वाती महाळंक यांनी आणल्या महोत्सात सांगितले.

देशील पोडोचली आहे, या गावातील महिलांनी बचत गटाच्या साध्यामातु १२ सोप्यांचे उभारली आणि १२ पिढ्यांच्या गिरण्या खेरीत केल्या ही निश्चित प्रेरणादायी बाब आहे असे स्वाती महाळंक यांनी सांगितले. कायम सुलवासाठी जगणारी बचत गटाच्या चळवळीमुळे थोडी फार का होईना आता स्वतःपुरती जगायला लागली हे या चळवळीचे यश आहे.मी पण चार पेसे अधिक कमावू शकते किंबहुना चार जणांचे पोट मी एकदा भरू शकते हा आर्थिकप्राप्त महिलांना मिळाला, असे सांगत स्वाती महाळंक यांनी आपल्या मसंगमातून महिलांच्या यशोगाथांची उदाहरणे सांगितली.

महिलेने आयजच्या जगाचा अधिक समृद्ध करित आणले येऊचे जगणे अधिक सुख होण्यासाठी मी काय करू शकते असा विचार करत कुटुंबीय साध्याला हवे, विचारांची दिशा बदलत विकासाची नवी दिशा महिलांनी पोषाध्या करावी असे मत स्वाती महाळंक यांनी आपल्या म गोदरीनवर व्याख्यातानु सांगितले.

विशेष बाब म्हणजे या गावातआयोजित झालेल्या प्रयोगे महान गावातील म हिल्यांनी स्वतःहून पुढे येत व्याख्यात्या स्वाती महाळंक यांच्याशी संवाद साधला. यायशरी वाळेण गावातील जिल्हा परिषदेच्या प्राथमिक शाळेला 'यशस्वी' संस्थेच्यावतीने पंधरा हजार रुपयांचा धनदाणत आर्थिक मदत स्वरुप देण्यात आला. 'यशस्वी' संस्थेच्या मीडिया मॅनेजर अलिशा भावसार यांच्या हस्ते शाळेच्या मुख्यालयात वैशाली पाटील यांना सुपुर्द करण्यात आला.

'यशस्वी' संस्थेने रचविलेल्या या उपक्रमाचे यशोत्क करित वाळेण गावाचे सरपंच संजय साठे यांनी आभार व्यक्त केले. तर गावपाचाई इ.प.प. सोप याच महाराज साठे यांनी कार्यक्रमाचे प्रास्ताविक करताना वाळेण गावाची सांस्कृतिक परंपरा, भगाड याचा, वीरगाड संस्थेचा प्रयोग आदीबाबत परिस्वर सांगितली दिली.

सुत्रसंचालन योगेश रांगणेकर यांनी केले. तर या कार्यक्रमासाठी जगणार गोफण व कृषिके साठे, मसुरी तिळकरी यांचे मोलाचे सहकार्य लाभले.

VALUE ADDED COURSE

IIMS College, in collaboration with Atos Global Talent Track (GTT), is thrilled to announce the successful completion of a specialized Value-Added Program in Aptitude and Python programming. The Program, conducted from March 4th to March 16th 2024, aimed to equip students with essential skills in two vital domains: Aptitude and Python programming.

Recognizing the importance of providing students with industry-relevant skills, IIMS College partnered with Atos GTT, a leading name in talent development and training solutions. This collaboration underscores IIMS's commitment to enhancing students' employability and preparing them for the evolving demands of the professional landscape.

The Value-Added Program covered a comprehensive range of topics designed to empower students with practical knowledge and expertise. In the aptitude domain, participants gained insights into problem-solving techniques, logical reasoning, quantitative aptitude, and verbal ability—essential skills for success in competitive exams and interviews.

Moreover, the course delved into Python programming, a versatile and widely-used language in various industries, including software development, data science, artificial intelligence, and web development. Students learned fundamental concepts of Python programming, including syntax, data structures, functions, and object-oriented programming principles, enabling them to develop real-world applications and solutions.

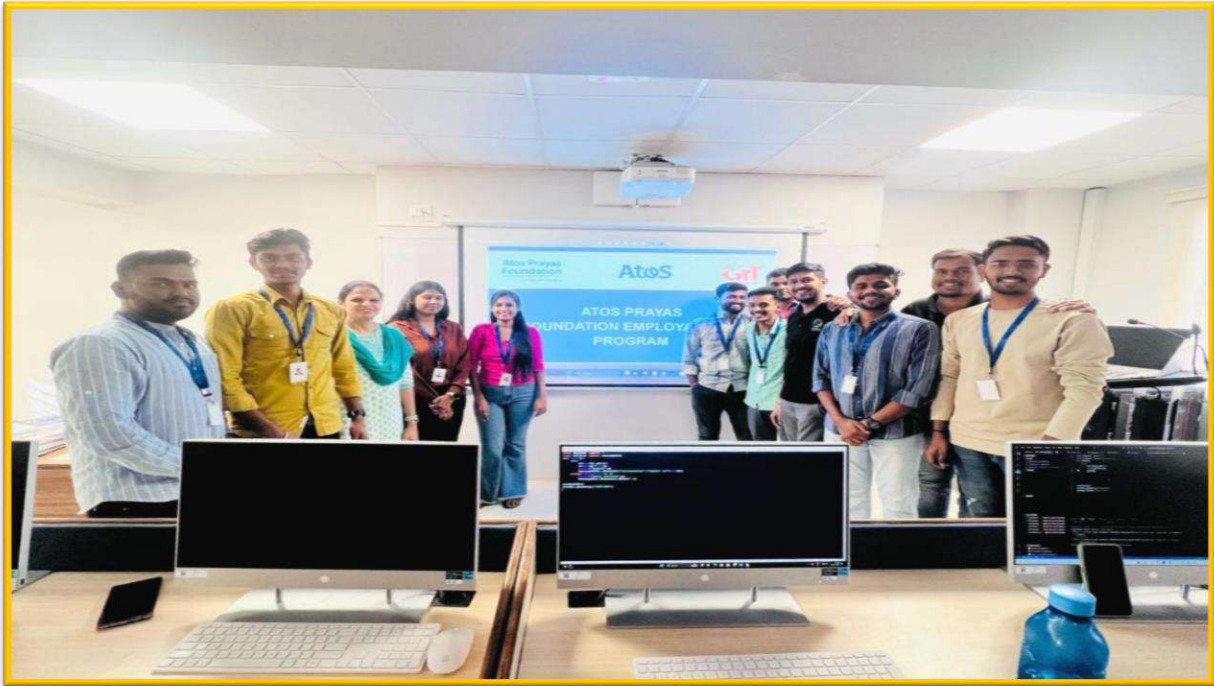

Dr Shivaji Munde, Director, IIMS expressed enthusiasm about the collaboration, stating, "We are delighted to partner with Atos GTT to offer this comprehensive course in aptitude and Python programming. In today's digital age, proficiency in both domains is highly sought after by employers across sectors. This course equips students with a competitive edge in their academic and professional pursuits."

The Value-Added Program was facilitated by experienced instructors from both IIMS College and Atos GTT, ensuring high-quality training and mentorship. Participants benefited from a blend of theoretical knowledge, hands-on exercises, and interactive sessions, fostering a conducive learning environment.

At the conclusion of the course, participants received certificates recognizing their successful completion, validating their newly acquired skills and competencies. This certification serves as a testament to their commitment to continuous learning and professional development.

Under the guidance of Director Dr Shivaji Munde, IIMS College remains dedicated to nurturing future leaders and empowering students with the skills and knowledge needed to excel in their chosen fields. The collaboration with Atos GTT exemplifies this commitment, providing students with valuable opportunities for growth and success.

Mrs Vidya Malusare and Mr Vinod Ghule Cooperate Trainers trained the students and the program was coordinated by Prof Nishant Pachpor & Prof Yugandhara Patil

Session on Birth Anniversary of Dr. Babasaheb Ambedkar and Mahatma Jyotiba Phule

Date: 13/04/2024

Yashaswi Education Society's International Institute of Management Science (IIMS) organized a Session for Celebration of Birth Anniversary of Dr. Babasaheb Ambedkar and Mahatma Jyotiba Phule on – 13th April 2024. Students of MBA and MCA were present for the programme. Dr. Sachin Misal coordinated the event. Dr. Shivaji Mundhe, Director International Institute of Management Science (IIMS) welcomed the all the students and faculty members and briefed about the agenda and purpose of the session. Dr. Shivaji Mundhe stated that Dr. B.R. Ambedkar, often referred to as the architect of the Indian Constitution, was born on April 14, 1891. He was a prominent jurist, economist, politician, and social reformer who dedicated his life to fighting against social discrimination and advocating for the rights of Dalits (formerly known as untouchables) and other oppressed groups in India. His efforts played a pivotal role in shaping modern India's social and political landscape.

Dr. Mundhe further stated that Jyotirao Govindrao Phule, a social activist, thinker, and writer, was born on April 11, 1827. He was a pioneering figure in the anti-caste movement and a strong advocate for education and women's rights. Phule, along with his wife Savitribai Phule, established the first school for girls in India in 1848 and worked tirelessly to promote education among the lower castes and women, challenging the orthodox social norms of his time. The session was concluded with vote of thanks by Dr. Sachin Misal.

INSTITUTE BEST PRACTICE

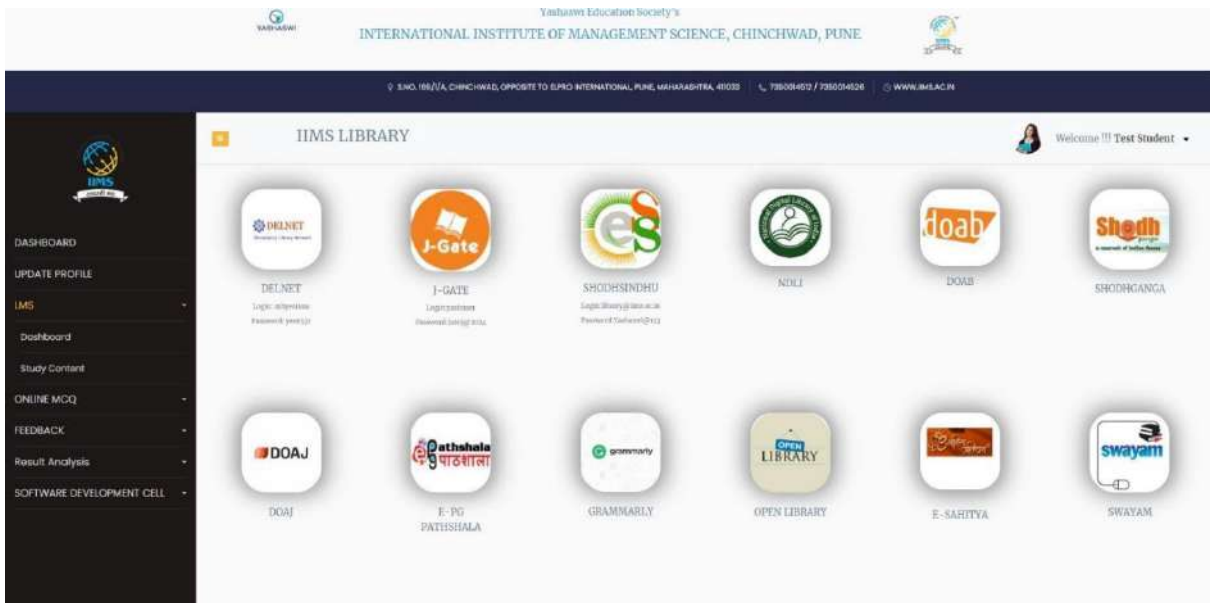

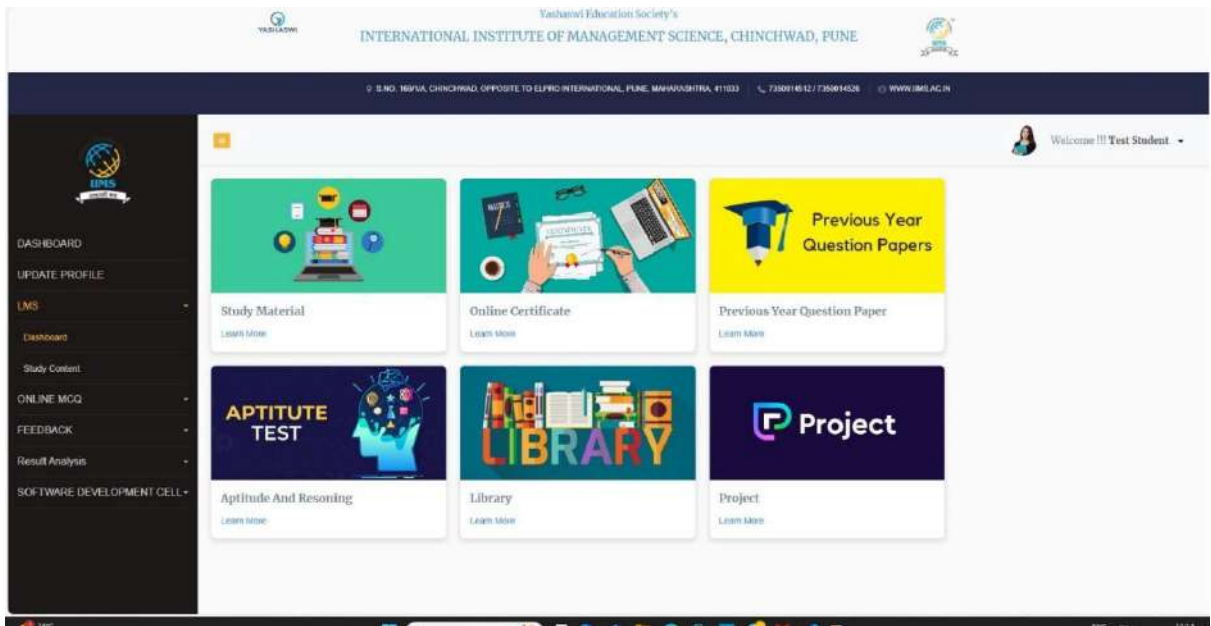

3. Software Development Cell

International Institute of Management Science (IIMS) established Software development Cell for in-house software development to empower students with computer application skills. The main aim of this cell is to work on teaching learning solutions, administrative processes and smooth executions.

The institute has developed the full-fledged ERP Dashboard developed by students under the guidance of faculties integrates essential functionalities such as attendance tracking, feedback submission, conference and journal websites and a gate pass system. This centralized platform streamlines administrative tasks, enhances communication, and facilitates efficient management of academic and operational activities within the institute.

The screenshot displays the ERP Dashboard for a student. The header includes the IIMS logo and the text 'Yashwanji Education Society's INTERNATIONAL INSTITUTE OF MANAGEMENT SCIENCE, CHINCHWAD, PUNE'. A navigation menu on the left lists: DASHBOARD, UPDATE PROFILE, LMS, ONLINE MCQ, FEEDBACK, Result Analysis, and SOFTWARE DEVELOPMENT CELL. The main content area is divided into several sections:

- Personal Information:** Includes a profile picture of a student and fields for Name (Test Student), Course (MCA), Admission Year (2023-2024), Email (teststudent1@gmail.com), and Mobile (+91-1234567895).
- Family Information:** Includes fields for Father Name (Gajanan More), Mother Name (Shanti More), and Address (mansaji Nagar,narhe,pune, India,Maharashtra,Pune,436789).
- Payment Options:** Divided into NEFT Details and QR Details. NEFT Details include Bank Name (Bank Of Maharashtra), Account Number (604166070), IFSC Code (MAHB00001459), Address (Chapekar Chowk, Chinchwad, Pune), and Pin (412101). QR Details include a QR code and the text 'scan here to pay'. Below the QR code, it says 'YASHASWI EDUCATION SOCIETY' and provides MID (037322000731938), YID (41574152), and ME Helpline (18002222222 / 022-49429999).
- Feedback:** A section with a blue header, currently empty.

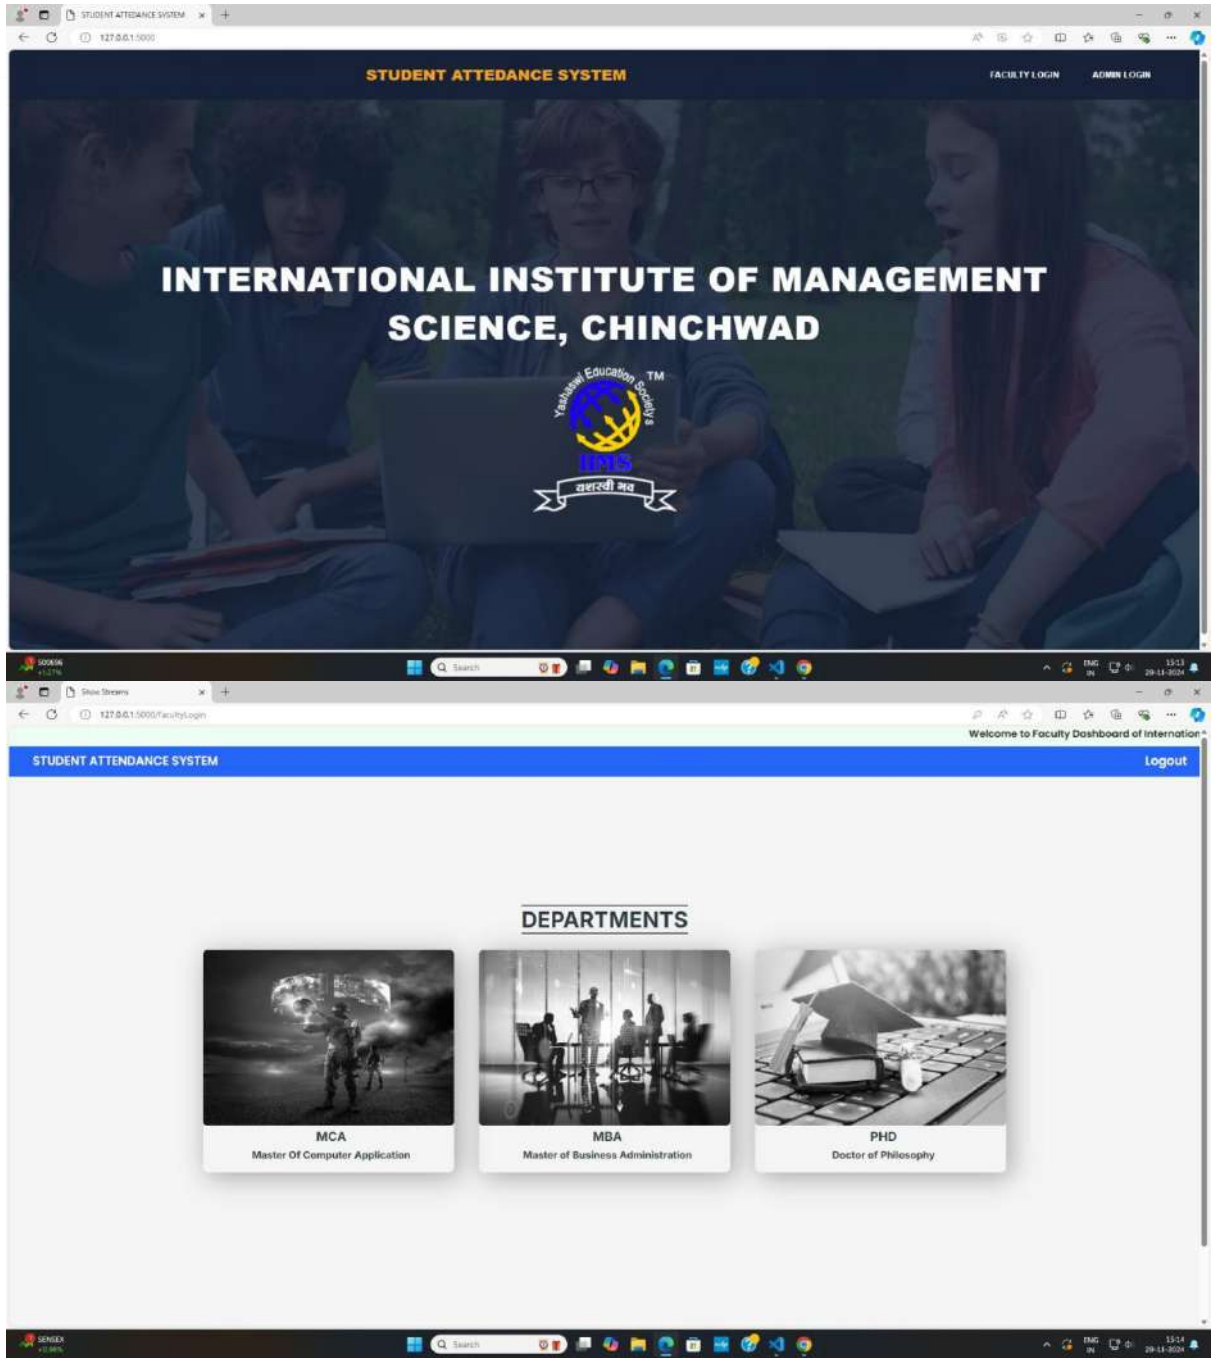

The screenshot displays two web applications. The top application is an LMS with a 'Submit Feedback' form containing six questions (Q.1 to Q.6) with radio button options (1-5). The bottom application is the 'Student Attendance System' showing a table for 'Semester I' with columns for Subject Code, Subject Name, Faculty Name, Update, and Delete.

3.E-Waste Collection Initiative

Disposing of old, outdated, and non-working electronic items such as monitors, computers, keyboards, mice, power supplies, printers, and batteries poses a significant problem due to the hazardous materials they contain, like lithium, lead, and zinc. Improper disposal of these items can be harmful to living beings. To address this issue, the institute has partnered with Harshita Green Recyclers certified vendors for E-waste disposal. The electronic equipment slated for disposal is collected at a central storage location and then handed over to these certified vendors. The institute receives a certificate from the vendor, ensuring that the E-waste is disposed of according to prevailing norms without harming the environment.

IIMS has an active MOU with Harshita Green Recyclers an E waste management Company. The Institute has undertaken several initiatives for e waste management. The Institute collects E-waste (including any electrical and electronic equipment such as CDs, remote controls, chargers, etc.) from students, teachers, and staff from nearby Institutes and housing societies. The collected E-waste is handed over to Harshita Recyclers. The Organisation focuses on waste management and supports livelihood opportunities for waste collectors and other stakeholders. The collected E-waste is recycled and processed in an environmentally safe manner. The Institute regularly contributes their E-waste to this initiative instead of selling it to scrap dealers.

INSTITUTE DISTINCTIVE PRACTICE

Industry Insights and Mentorship Sessions

To provide students with opportunities to engage directly with experienced industry professionals, alumni, and enabling them to learn the art of making ethical and informed decisions in their professional lives simultaneously keeping in trend with recent advancements in technology Mentoring fosters knowledge-sharing and experiential learning between experienced Industry professionals and students. Mentees develop lasting bonds with their mentors, who serve as role models and advisors throughout their professional journeys. Nine industry mentors from reputed IT companies like TCS, Wipro, Accenture, and Cognizant mentor students on a weekly basis through online sessions. These discussions cover project work, the latest technological trends, additional courses or skills to develop, and career guidance. Attendance of mentees in each session is recorded, and mentors

it reports on the sessions held. These mentoring sessions offer several benefits as it helped mentees gain a better understanding of their strengths, weaknesses, and professional aspirations. The Interactions with Industry mentors lead to the formation of Software Development Cell. 4 students received Placement opportunities through direct interaction with industry mentors.

INSTITUTE DISTINCTIVE PRACTICE

Tea with Director Meetings

To encourage open communication, promote a culture of collaboration and inclusive, and provide students with a platform to engage directly with the institute's director.

Context: This initiative is designed to foster continuous improvement and innovation by enabling open communication within the institute. The meetings allow students to feel heard and understood by the director, address their concerns, and receive guidance and mentorship. These interactions boost students' confidence and provide a unique opportunity to share their experiences and ideas directly with the director. Regular participation from students, with 5 to 7 students from each stream invited every Thursday. The Meetings are noted and put forth in the faculty meetings for further improvement.

The basic aim being positive feedback from students who feel their concerns are addressed and their voices are heard. Students too get benefit from the director's wisdom, experience, and advice on academic, career, and personal matters.

IIMS's "Tea with Director" meetings exemplify the institute's commitment to fostering open communication and collaboration. Along with other initiatives like the "YASHOMANTHAN" journal and mentoring sessions with industry experts, these meetings highlight IIMS's dedication to providing a holistic education that integrates theory with real-world practice. By bridging the gap between academia and industry, IIMS prepares students for successful careers and contributes to the advancement of knowledge and best practices in management. Through these collaborative efforts, the institute continues to drive innovation, excellence, and sustainable growth in both academia and industry.

The Training and Placement Committee is formed to provide better career opportunities for the students. The meeting is conducted at least twice a year.

The constitution of Training and Placement Committee is given below.

Sr. No.	Name	Designation	Role
1.	Dr. Shivaji Mundhe	Director	Chairperson
2.	Dr. Vandana Mohanty	Associate Professor	Teacher Representative & Convenor
3.	Dr. Pushpraj Wagh	Assistant Professor	Teacher Representative
4.	Dr. Sachin Borgave	Director, Pratibha Institute of Management	External Member
5	Mr Gangadhar Dukare	Assistant Professor	Teacher Representative
6.	Mr.Ashish Waghe	Sr.Manager HR	External Member
7.	Dr.Santhosh Bhave	Director –HR, IPR Bhart Forge, Pune	External Member
8.	Dr.Sachin Misal	Assistant Professor	Teacher Representative
9.	Mr.Mahesh Mahankal	Assistant Professor	Teacher Representative
10.	Mr.Nishant Pachpor	Assistant Professor	Teacher Representative
11.	Mr.Mahesh Panchal	Student-MBA-SY	Student Representative
12.	Mr.Rohit More	Student-MBA-FY	Student Representative
13.	Mr.Kupale Atharva	Student-MCA-FY	Student Representative
14.	Mrs.Nisha Madhure	Student-MCA-SY	Student Representative

Functions and responsibilities of Training and Placement Committee:

- To monitor overall activity of placement.
- To improve quality of students training process.
- To improve placement related activities

The meeting is conducted at least twice a year.

The constitution of Institute Innovation Council is given below.

Sr. No.	Name	Designation
1.	Dr. Shivaji Mundhe	Chairman-IIC Committee, Director, IIMS, Chinchwad, Pune
2.	Dr. Sachin Borgave	External Member, Nearby Innovation Centre Head, Pratibha Institute, Chinchwad,
3.	Mr. Ashish Waghe	Industry Expert Member, Maxion Wheels Ltd, Pune
4.	Dr. Pushpraj Wagh	Secretary, Member
5.	Dr. Vandana Mohanty	IQAC Coordinator, HOD(MBA), Member
6.	Dr. Ashwini Brahme	HOD (MCA), Member
7.	Dr. Madhura Deshpande	IIC Coordinator, Member
8.	Dr. Sachin Misal	Member
9.	Mr. Mahesh Mahankal	Member
10.	Mr. Pavan Sharma	Member
11.	Mr. Gudiya Thakur	Students Members
12.	Ms. Mahesh Panchal	Student Members
13.	Ms. Priya Sonkar	Student Members
14.	Onkar Naik	Student Members
15.	Jayakrishna P	Student Members

RESEARCH AND CONSULTANCY PROJECTS CONDUCTED BY IIMS FOR THE AY 2023-24

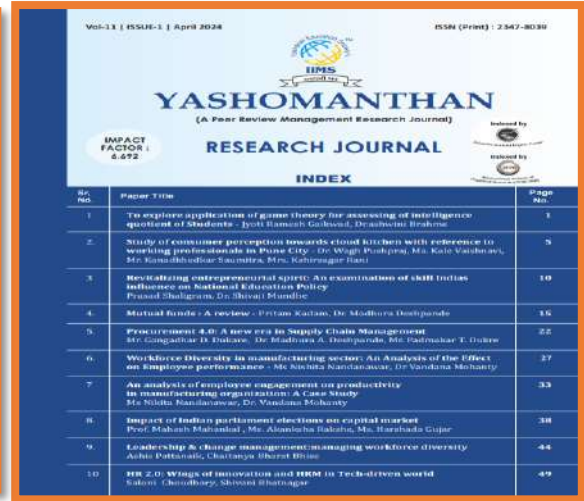

The IIMS has been interacting with industries, research organisations and governmental agencies for taking up consultancy and sponsored research projects. These are either referred to the Institute or are sanctioned based on specific project proposals submitted by the faculty members. Such projects pose considerable scientific and academic challenge to the faculty and students of our Institute. Further the academic programmes of the Institute are strengthened by such active interaction with the industries. These projects and assignments require a great amount of scientific and technical input from the faculty and staff of the Institute. They have given an opportunity for the Institute staff to work on live problems of immediate relevance to the Industry.

वित्तीय क्षेत्रातील अमर्याद संधीबाबत युवकांनी सजगता बाळगावी- सुधीर भगत

पिंपरी:- वित्तीय क्षेत्रात विविध प्रकारच्या अमर्याद संधी उपलब्ध असून त्या प्राप्त करण्यासाठी युवा पिढीने सजगता बाळगावी असे आवाहन महंत फिनसर्व्हा प्रा. लि., पुणे. चे संचालक आणि संचालक सुधीर भगत यांनी केले.

यशस्वी एज्युकेशन सोसायटीच्या इंटरनॅशनल इन्स्टिट्यूट ऑफ मॅनेजमेंट सायन्स (आयआयएमएस) च्या वतीने आयोजित वित्तीय क्षेत्रातील संधी या विषयावरील व्याख्यानात ते बोलत होते.

जागतिक अर्थविकासाच्या घडामोडींचा शेट परिणाम होणाऱ्या या वित्तीय क्षेत्रात करिअर करण्याची इच्छा असणाऱ्या युव-

पिढीने विद्यार्थिदशेपासूनच या क्षेत्राबद्दलचे ज्ञान व माहिती अद्ययावत ठेवण्यासाठी व्यापारविषयक वर्तमानपत्रे, नियतकालिके, माहिती सातत्याने वाचण्यात आली असे भगत यांनी सांगितले. भगत यांनी विद्यार्थ्यांकडून अर्थव्यवस्थापनाचे प्रयोग करीत त्यांना या क्षेत्राबद्दलची तयारी-तर माहिती विविध उदाहरणांद्वारे सांगितली.

एपीए पाठ्यमात्रा विद्याशाखेतील विद्यार्थ्यांनी क्रमिक अभ्यासक्रमासोबतच या क्षेत्रातील राष्ट्रीय स्तरावरील स्पर्धांचे प्रमाणपत्र अभ्यासक्रम देखील पूर्ण करवत, जेणेकरून वित्तीय क्षेत्राविषयीची समज व्यापक

होईल, असेही भगत यांनी आपल्या व्याख्यानात सांगितले.

कार्यक्रमाच्या शेवटी प्रश्नोत्तर सत्र झाले. कार्यक्रमाचे प्रास्ताविक यशस्वी एज्युकेशन सोसायटीच्या इंटरनॅशनल इन्स्टिट्यूट ऑफ मॅनेजमेंट सायन्सचे संचालक डॉ. शिवाजी मुंडे यांनी केले.

पाहुण्यांचा परिचय अणिजा तर आभार प्रदर्शन वैशाली सिंदे या एपीएच्या विद्यार्थिनीने केले. तर समन्वयक म्हणून प्रा.महेश महाकाळ यांनी काम पाहिले.

या व्याख्यान सत्राला एपीए अभ्यासक्रमाचे विद्यार्थी मोठ्या संख्येने उपस्थित होते.
