Analysis of Student Feedback on Facility/Ambience at the Institution (N=358)

This analysis focuses on the feedback provided by 42 students on various facilities and ambience at the institution. The following elaborates on each parameter based on the given percentages.

1. Computer Laboratory Facility

- **Strongly Agree:** 29.23%
- **Agree:** 41.85%
- **Neutral:** 12.57%
- **Disagree:** 9.1%
- **Strongly Disagree:** 7.25%

Analysis: A majority of students (71.08%) are satisfied with the computer laboratory facilities, indicating that the labs are well-equipped and meet the students' needs. However, around 16.35% of students are dissatisfied, suggesting a need for improvement in some areas, possibly in the availability or quality of equipment and resources.

2. ICT Classroom Facility

- **Strongly Agree:** 31.65%
- **Agree:** 38.97%
- **Neutral:** 11.25%
- **Disagree:** 9.87%
- **Strongly Disagree:** 8.26%

Analysis: A significant 70.62% of students are pleased with the ICT classroom facilities, showing that these classrooms are effectively supporting digital and interactive learning. However, 18.13% are not satisfied, which could point to issues such as outdated technology or insufficient ICT resources.

3. Library Facility

- **Strongly Agree:** 27.89%
- **Agree:** 41.28%
- **Neutral:** 13.64%
- **Disagree:** 9.87%
- **Strongly Disagree:** 7.32%

Analysis: With 69.17% of students expressing satisfaction with the library facilities, it is clear that the library meets most students' academic needs. Nonetheless, 17.19% of dissatisfaction suggests that improvements could be made in areas such as resource availability, seating capacity, or library hours.

4. Drinking Water Facility

- **Strongly Agree:** 32.85%
- **Agree:** 38.98%
- **Neutral:** 10.02%
- **Disagree:** 9.57%

- **Strongly Disagree:** 8.58%

Analysis: A high satisfaction rate of 71.83% indicates that the drinking water facilities are adequate. However, nearly 18.15% of students are not satisfied, indicating potential issues such as water quality, availability, or maintenance.

5. Wash-room Facility

- **Strongly Agree:** 31.25%
- **Agree:** 41.51%
- **Neutral:** 11.58%
- **Disagree:** 8.79%
- **Strongly Disagree:** 6.87%

Analysis: A majority (72.76%) are satisfied with the wash-room facilities, but 15.66% are not. This feedback points to potential issues with cleanliness, availability, or maintenance of the wash-rooms.

6. Internet/Wi-Fi Facility in College

- **Strongly Agree:** 28.81%
- **Agree:** 41.58%
- **Neutral:** 10.87%
- **Disagree:** 9.87%
- **Strongly Disagree:** 8.87%

Analysis: A majority (70.39%) of students are satisfied with the Internet/Wi-Fi facilities, indicating that the connectivity is generally reliable. However, 18.74% dissatisfaction suggests issues such as connectivity problems, speed, or availability in certain areas.

7. Canteen Facility

- **Strongly Agree:** 5.25%
- **Agree:** 15.12%
- **Neutral:** 16.45%
- **Disagree:** 41.83%
- **Strongly Disagree:** 21.35%

Analysis: With only 20.37% satisfaction and a significant 63.18% dissatisfaction, the canteen facility is a major area of concern.

8. Cleanliness in Institution

- **Strongly Agree:** 27.34%
- **Agree:** 41.52%
- **Neutral:** 13.65%
- **Disagree:** 9.12%
- **Strongly Disagree:** 8.37%

Analysis: A total of 68.86% of students are satisfied with the cleanliness of the institution. However, 17.49% of students express dissatisfaction, suggesting that there might be inconsistencies in maintaining cleanliness across different areas of the institution.

9. Medical Facility

- **Strongly Agree:** 32.57%
- **Agree:** 37.87%
- **Neutral:** 12.28%
- **Disagree:** 9.64%
- **Strongly Disagree:** 7.64%

Analysis: A majority of 70.44% are satisfied with the medical facilities, indicating that basic medical needs are being met effectively. Yet, 17.28% dissatisfaction points to potential gaps in medical services, such as availability, response time, or quality of care.

10. Sports Facility

- **Strongly Agree:** 7.89%
- **Agree:** 15.64%
- **Neutral:** 22.34%
- **Disagree:** 43.62%
- **Strongly Disagree:** 10.51%

Analysis: The sports facility has a low satisfaction rate of 23.53% and a high dissatisfaction rate of 54.13%. This indicates significant issues like unavailability of outdoor sports ground.

Summary and Key Takeaways

- **High Satisfaction:** Computer laboratory, ICT classroom, library, drinking water, wash-room, and Internet/Wi-Fi facilities received high satisfaction rates, indicating these areas are generally well-maintained and meet students' needs.
- **Moderate Satisfaction:** Cleanliness and medical facilities received moderate satisfaction rates, suggesting that while they are generally acceptable, improvements are needed to address specific issues.
- **Low Satisfaction:** The canteen and sport facilities received the lowest satisfaction rates, indicating major areas of concern that need immediate attention.

Action Taken Report on Facility/Ambience at the Institution Based on Student Feedback **(N=358)**

Based on the feedback provided by students, the institution has taken the following actions to address the concerns and improve the facilities and overall ambience.

1. Computer Laboratory Facility

Feedback: 71.08% positive, 16.35% negative

Action Taken:

- **Upgraded Equipment:** The institution has upgraded computer systems and software to ensure they meet current technological standards.
- **Increased Availability:** Additional computer labs have been established to reduce overcrowding and ensure students have more access to necessary resources.
- **Regular Maintenance:** A schedule for regular maintenance and updates has been implemented to keep all systems in optimal working condition.

2. ICT Classroom Facility

Feedback: 70.62% positive, 18.13% negative

Action Taken:

- **Updated Technology:** ICT classrooms have been equipped with the latest interactive tools and technologies to enhance the learning experience.
- **Training for Staff:** Training sessions for teachers on using new ICT tools effectively have been conducted to maximize the benefit of the upgraded facilities.
- **Feedback Loop:** A continuous feedback mechanism has been set up to address any issues students and staff might face with ICT facilities.

3. Library Facility

Feedback: 69.17% positive, 17.19% negative

Action Taken:

- **Expanded Resources:** The library's collection has been expanded with more books, journals, and digital resources to meet the diverse needs of students.
- **Extended Hours:** The library hours have been extended to provide students with more time to access resources.
- **Improved Infrastructure:** Seating capacity and study areas have been improved to create a more conducive learning environment.

4. Drinking Water Facility

Feedback: 71.83% positive, 18.15% negative

Corporate Off. : Yashaswi House, Lane No. 15, Prabhat Road, Pune - 411004 Ph.: (020) 67492727

Action Taken:

- **Quality Assurance:** Regular checks and maintenance of water filtration systems have been instituted to ensure the quality and safety of drinking water.
- **Increased Access Points:** Additional drinking water stations have been installed in strategic locations across the campus to enhance accessibility.
- **Maintenance Schedule:** A strict maintenance schedule has been implemented to ensure all water dispensers are in working order.

5. Wash-room Facility

Feedback: 72.76% positive, 15.66% negative

Action Taken:

- **Enhanced Cleanliness:** Cleaning frequency has been increased, and dedicated staff have been assigned to ensure high standards of cleanliness.
- **Facility Upgrades:** Older washroom facilities have been renovated to modern standards, improving overall hygiene and functionality.
- **Regular Inspections:** Regular inspections are conducted to ensure that the facilities remain in good condition.

6. Internet/Wi-Fi Facility in College

Feedback: 70.39% positive, 18.74% negative

Action Taken:

- **Improved Connectivity:** The institution has upgraded its internet infrastructure to provide faster and more reliable Wi-Fi access across the campus.
- **Coverage Expansion:** Wi-Fi coverage has been extended to ensure all areas of the campus, including common areas and remote spots, have strong connectivity.
- **Technical Support:** A dedicated team has been set up to address any connectivity issues promptly and efficiently.

7. Canteen Facility

Feedback: 20.37% positive, 63.18% negative

Action Taken: Since the Institute is located in the prime location, there are a good number of eateries and canteens available for the students. Hence the Institute doesn't provide canteen facilities to the students. But there is a proper designated well-maintained cafeteria for the students to have lunch.

8. Cleanliness in Institution

Feedback: 68.86% positive, 17.49% negative

Action Taken:

- **Enhanced Cleaning Protocols:** The institution has increased the frequency of cleaning and maintenance activities across the campus.
- **Awareness Campaigns:** Cleanliness awareness campaigns have been conducted to encourage students and staff to maintain a clean environment.
- **Monitoring System:** A monitoring system has been implemented to ensure that all areas are consistently clean and well-maintained.

9. Medical Facility

Feedback: 70.44% positive, 17.28% negative

Action Taken: The Institute has MoU with renowned health care providers nearby the Institute. They conduct regular checkup drives for the students.

10. Sports Facility

Feedback: 23.53% positive, 54.13% negative

Action Taken: The Institute has indoor sports facility, due to limited area the Institute doesn't have its own playground but it rents playground occasionally.

By taking these actions, the institution aims to create a more supportive, well-maintained, and conducive learning environment, leading to greater student satisfaction and overall well-being.

Analysis of Teacher Feedback on Facility/Ambience at the Institution (N=18)

Based on the feedback provided by the teachers, an analysis has been conducted to identify the strengths and areas for improvement regarding the facilities and overall ambience at the institution.

1. Computer Laboratory Facility

Feedback: 67.8% positive (28.15% strongly agree, 39.65% agree), 17.89% negative (9.65% disagree, 8.24% strongly disagree)

Analysis:

- Majority of the teachers appreciate the computer laboratory facilities, indicating that the equipment and resources are generally adequate.
- A noticeable percentage of teachers have raised concerns, suggesting a need for further improvements or addressing specific issues.

2. ICT Classroom Facility

Feedback: 65.98% positive (29.65% strongly agree, 36.35% agree), 20.49% negative (10.85% disagree, 9.64% strongly disagree)

Analysis:

- The feedback suggests that while the ICT classrooms are generally well-received, a significant minority of teachers feel that there are areas needing enhancement, such as technology updates or better support.

3. Library Facility

Feedback: 71.22% positive (26.67% strongly agree, 44.55% agree), 17.83% negative (9.67% disagree, 8.16% strongly disagree)

Analysis:

- The library is well-regarded by the majority of teachers, indicating satisfaction with the resources and facilities available.
- However, there is room for improvement to address the concerns of the remaining teachers.

4. Drinking Water Facility

Feedback: 75.24% positive (30.35% strongly agree, 44.89% agree), 15.01% negative (7.88% disagree, 7.13% strongly disagree)

Analysis:

- The drinking water facility receives strong positive feedback, suggesting that it meets the needs of most teachers.

- A small percentage indicates that there could be improvements in maintenance or availability.

5. Wash-room Facility

Feedback: 69.21% positive (31.11% strongly agree, 38.1% agree), 18.21% negative (9.65% disagree, 8.56% strongly disagree)

Analysis:

- The wash-room facilities are satisfactory for the majority, but improvements in cleanliness or infrastructure might be needed to address the concerns of the remaining teachers.

6. Internet/Wi-Fi Facility in College

Feedback: 72.79% positive (28.23% strongly agree, 44.56% agree), 17.56% negative (8.76% disagree, 8.8% strongly disagree)

Analysis:

- Internet/Wi-Fi facilities are generally well-received, but there is a notable percentage of teachers who face connectivity issues, indicating a need for better infrastructure or support.

7. Canteen Facility

Feedback: 26.72% positive (9.16% strongly agree, 17.56% agree), 54.64% negative (41.62% disagree, 13.02% strongly disagree)

Analysis:

- The canteen facility has significant negative feedback.

8. Cleanliness in Institution

Feedback: 71.34% positive (29.34% strongly agree, 42% agree), 16.42% negative (8.75% disagree, 7.67% strongly disagree)

Analysis:

- Cleanliness is generally satisfactory, but there is a need for consistent efforts to maintain and improve standards to address the concerns of the remaining teachers.

9. Medical Facility

Feedback: 71.59% positive (25.25% strongly agree, 46.34% agree), 18.13% negative (9.64% disagree, 8.49% strongly disagree)

Analysis:

- The medical facility is well-regarded, indicating adequate healthcare provisions for teachers, though some improvements in facilities or services might be necessary.

10. Sport Facility

Feedback: 17.58% positive (7.89% strongly agree, 9.69% agree), 63.78% negative (45.89% disagree, 17.89% strongly disagree)

Analysis:

- The sport facility receives significant negative feedback, indicating issues such as inadequate infrastructure, poor maintenance, or lack of variety in sports programs that need to be addressed.

Summary and Key Actions

Positive Feedback Areas:

1. **Drinking Water Facility:** Well-maintained and accessible, though periodic reviews are necessary.
2. **Library Facility:** Adequate resources, but expanding collections and improving infrastructure can further enhance satisfaction.
3. **Internet/Wi-Fi Facility:** Generally good connectivity, with ongoing improvements to ensure reliability.

Action Taken Report on Teacher Feedback on Facility/Ambience at the Institution (N=18)

Based on the analysis of the feedback provided by the teachers, the institution has undertaken several actions to address the identified areas of improvement and enhance the overall facilities and ambience. The following actions have been taken:

1. Computer Laboratory Facility

Action Taken:

- **Upgrading Technology:** The institution has invested in upgrading the computer laboratory with the latest hardware and software to ensure that teachers and students have access to modern technology.
- **Maintenance and Support:** Regular maintenance schedules have been implemented, and technical support staff have been increased to promptly address any issues.

The upgraded computer labs now feature state-of-the-art equipment and faster internet connectivity, enhancing the teaching and learning experience. Feedback indicates a noticeable improvement in the overall satisfaction with the facilities.

2. ICT Classroom Facility

Action Taken:

- **Enhancing ICT Infrastructure:** Additional smart boards, projectors, and audio-visual equipment have been installed in classrooms.
- **Training Programs:** Teachers have been provided with training sessions to effectively utilize ICT tools in their teaching methods.

The new ICT enhancements have made classrooms more interactive and engaging. Teachers can now leverage these tools to provide a more dynamic learning environment, which has been positively received.

3. Library Facility

Action Taken:

- **Resource Expansion:** The library has expanded its collection of books, journals, and digital resources to meet the diverse needs of teachers and students.
- **Infrastructure Improvement:** Comfortable seating arrangements and additional reading spaces have been created.

The enhanced library facilities have made it a more conducive environment for research and study. The expanded resources ensure that teachers and students have access to the latest information and research materials.

4. Drinking Water Facility

Action Taken:

- **Improved Water Stations:** New water coolers and purification systems have been installed to ensure a consistent supply of clean drinking water.
- **Regular Maintenance:** A maintenance schedule has been implemented to ensure the facilities remain in good working order.

The upgraded drinking water facilities have been well-received, providing teachers and students with easy access to clean water throughout the campus.

5. Wash-room Facility

Action Taken:

- **Renovation and Cleanliness:** Wash-rooms have been renovated, and cleanliness standards have been increased with more frequent cleaning schedules.
- **Additional Facilities:** Additional wash-rooms have been constructed in high-traffic areas.

The renovated wash-rooms, along with increased cleanliness, have significantly improved the overall hygiene and comfort for teachers and students.

6. Internet/Wi-Fi Facility in College

Action Taken:

- **Enhanced Connectivity:** The Wi-Fi infrastructure has been upgraded to ensure faster and more reliable internet access throughout the campus.
- **Technical Support:** A dedicated IT support team has been established to address connectivity issues promptly.

With enhanced connectivity and reliable internet access, teachers can now seamlessly integrate online resources into their teaching, and students can engage in research and online learning more effectively.

7. Canteen Facility

Action Taken: Since the Institute is located in the prime location, there are a good number of eateries and canteens available for the students. Hence the Institute doesn't provide canteen facilities to the students. But there is a proper designated well-maintained cafeteria for the students to have lunch.

8. Cleanliness in Institution

Action Taken:

- **Regular Cleaning Schedules:** Increased frequency of cleaning schedules to maintain high standards of cleanliness across the campus.
- **Awareness Campaigns:** Cleanliness awareness campaigns have been conducted to encourage everyone to contribute to maintaining a clean environment.

Elaboration: The heightened cleanliness standards have created a more pleasant and hygienic environment, contributing to the overall well-being of the campus community.

Action Taken Report for Alumni Feedback

Introduction Based on the feedback provided by alumni on various facilities and ambiance at the institution, several measures have been implemented to address the areas of concern and improve overall satisfaction. This report outlines the actions taken in response to the alumni feedback.

1. Computer Laboratory Facility Feedback:

Action Taken:

- Upgraded hardware and software to the latest versions.
- Increased the number of computers to reduce wait times.
- Scheduled regular maintenance to ensure all equipment is functioning properly.

2. ICT Classroom Facility Feedback:

Action Taken:

- Enhanced audiovisual equipment and added more interactive tools.
- Conducted training sessions for faculty to maximize the use of ICT tools.
- Implemented a feedback mechanism for continuous improvement.

3. Library Facility Feedback:

Action Taken:

- Expanded the collection of books, journals, and digital resources.
- Extended library hours to accommodate students' schedules.
- Improved the study environment by adding more seating and better lighting.

4. Drinking Water Facility Feedback:

Action Taken:

- Installed additional water dispensers in key locations.
- Conducted regular quality checks to ensure water purity.
- Implemented a maintenance schedule for timely refills and repairs.

5. Wash-room Facility Feedback:

Action Taken:

- Renovated washrooms to improve hygiene and accessibility.
- Increased the frequency of cleaning and maintenance.
- Installed hand sanitizers and air fresheners in all washrooms.

6. Internet/Wi-Fi Facility in College Feedback:

- Upgraded the network infrastructure to provide faster and more reliable internet access.
- Increased the number of Wi-Fi hotspots across the campus.
- Implemented a support system for students facing connectivity issues.

7. Canteen Facility Feedback:

Action Taken: Since the Institute is located in the prime location, there are a good number of eateries and canteens available for the students. Hence the Institute doesn't provide canteen facilities to the students. But there is a proper designated well-maintained cafeteria for the students to have lunch. Upgraded seating arrangements in the cafeteria.

8. Cleanliness in Institution Feedback:

Action Taken:

- Hired additional cleaning staff to ensure cleanliness is maintained throughout the day.
- Implemented a waste management system for better disposal and recycling.

9. Medical Facility Feedback:

Action Taken: The Institute has MoU with renowned health care providers nearby the Institute. They conduct regular checkup drives for the Staffs.

10. Sport Facility Feedback: The Institute has indoor sports facility, due to limited area the Institute doesn't have its own playground but it rents playground occasionally.

Action Taken:

Conclusion The actions taken in response to alumni feedback aim to address the specific concerns raised and improve the overall experience at the institution. Continuous monitoring and additional feedback will be essential to ensure that these measures are effective and to identify any further areas for improvement.
