7.3.1 Describe / explain the performance of the institution in one area distinctive to its vision, priority and thrust (500 words)

Yashaswi's IIMS provides opportunity to its teachers, non-teaching staff and students for an ethical and moral value-based self-development to meet the challenges of the dynamic teaching-learning environment. In line with the NEP 2020 objectives. The Institute encourages young and newly recruited faculty to participate in skill development of teachers through FDPs/Refresher Courses/Workshop. The teachers are financially and administratively supported. In the context of Covid-19, all teaching learning was shifted to the MS Teams platform.

To strengthen the Industry Institution Interaction, IIMS has signed an MOU with National Institute of Personnel Management (NIPM) a reputed association of Industry professional's body. NIPM is the only all India body of professional managers engaged in the profession of Human Resource Management, Industrial Relations, Labor Welfare, and Training & Development in the country. The main aim behind this practice was to achieve higher inclination towards research among the faculty, students and industry practitioners through updating their awareness about research. The increase in research would lead to enriched education to students. IIMS has an in-house journal named "YASHOMANTHAN" with an impact factor of SJIF-6.682. A special issue of Yashomanthan was published in the September-2020 with 45 articles from Academicians, Industry professionals and Students.
