Ms. Kshitija More , Pursuing M.B.A. Internship Programme From International Institute of Management Science, has completed the summer training project with our organization. She was on the job training from 26th September 2022 till 19th November, 2022.

Her topic for the study is "To understand and analyses the different types of trade in Indian Stock Market".During their period we found her to be quite sincere, deeply involved in the project and has a keen interest in updating self and keeping in touch with the latest developments in the corporate sector. During the tenure of her project with our organization we felt her as an asset.

We wish her in her future endeavors and pray for her success.
