■ ABOUT THE CONFERENCE

3rd edition of the International Conference on innovations in management & information technology aims to serve as an open forum of academics as well as practicing managers to discuss the issues, challenges and opportunities presented by post-pandemic. Innovation has been a loyal companion to mankind since the dawn of creation. The current pandemic has although disrupted lives around the globe, it has also underscored and intensified the need for innovation in most all spheres of business management and technology to meet the resulting challenges. With the rapid development in e-business and technology, enterprises are now facing escalating competitions and vague opportunities. The goal of this conference is to provide a forum for academics, industry practitioners, and non-governmental organisations to discuss their perspectives, conduct research, and share their experiences of doing business / helping people at the bottom of the pyramid with advances in management through innovation, research, and technology.

The conference hopes to gather intellectuals working in the digital sector, which would aid in information transfer comprehending and advocating excellent practices / barriers in the digital realm, as well as motivating researchers to identify and address new gaps and issues in this burgeoning research topic.

Report on 3rd International Conference

Yashaswi Education Society's, International Institute of Management had organised its 3rd International Conference on Innovation in Management and IT co-hosting with MASHA University, Malaysia, Industry Partner EagleBurgmann India Pvt Ltd and in association with Indo European Educational Foundation, Poland and National Institute of Personal Management (NIPM), India. The conference was witnessed by a diverse and talented group of delegates from around the world. A total 400 Participants from India and Other Countries like Oman, Malaysia, and Poland were in attendance.

The main aim of this conference was to bring together leading academicians, researchers, technocrats, practitioners, and students to exchange and share their experiences and research outputs on all aspects of Management. It was also meant to provide a premier interdisciplinary platform to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the field of Management and Information Technology.

The presence of dignitaries, an impressive line-up of scholars from across the globe, and the support of sponsors an array of carefully selected, well-researched and well-presented papers on the subject, all came together to help Team ICIMIT-2023 to admirably conclude this huge endeavour. The conference was applauded for the 11 concurrent sessions, two plenary sessions, besides the Inaugural and Valedictory sessions. This Conference has, without a shade of doubt, made the academic fraternity richer, with the additional literature in form of scholarly works on the subject. This two day event offered opportunities to the participating audiences to interact with activists, academicians, scholars and experts from all over the world who deliberated upon and covered topics around the issues of innovations in management and information technology. The views expressed and explored on this platform by the resource persons and paper presenters made the audience rethink ideas which we cling on to unthinkingly in our day to day life.

The Inaugural Address was delivered by Dr Shivaji Mundhe, Director International Institute of Management Science and **Assoc. Prof Dr. Syriac Nellikunnel Devasia, Dean, Faculty of Business and Accountancy (FOBA), MAHSA University, Malaysia.**

Dr Mundhe focussed on the theme of the conference and briefed about the Institute and its legacy and welcomed all the guests and dignitaries. Dr Devasia on his welcome address emphasized on the role of Innovation in Management and Technology. He spoke about Chat GPT and AI, how it has revolutionised the role of thinking and is trying to replace the human mind.

Hon.President Mr Vishwesh Kulkarni delivered his welcome address and highlighted on the topic of innovation. He praised the organising committee on smooth conduct of the Conference. Chief Guest Chief Guest Mr **Gurbax Singh, Managing Director, EagleBurgmann India Pvt Ltd spoke on Innovation in EagleBurgmann and** presented the theme of the conference in a lucid manner for the understanding of the audience. **Dr Parag Kalkar, Dean, Commerce and Management, Savitribai Phule Pune University** spoke on the need to promote innovation and how it is necessary for the management students to think about innovating new ways to gain a competitive advantage. **Dr Mujitaba Momin, American University of Middle- East (In affiliation with Purdue University, Indiana, USA)** focused on innovation in HR

EMPLOYEE EMPOWERMENT POLICY- (Seminars/Conferences/Workshops/FDP/Training)

Introduction

The Empowerment Policy implemented at International Institute of Management Science is specifically formulated to enhance the welfare, job contentment, and general quality of life of both the teaching and non-teaching staff. The primary goal of this policy is to establish a nurturing and all-encompassing workplace culture that appreciates the input of everyone. Emphasis on the academic competence of faculty members is of paramount importance at the Institute. To promote a culture of continuous learning, Teaching and Non-teaching staffs are encouraged to partake in subject-specific refresher courses, training sessions, short-term programs, and workshops, thereby enhancing their understanding of their respective areas of expertise. The institution actively supports faculty involvement in research endeavours by providing necessary infrastructure for the development of research laboratories. In line with a dedication to excellence, faculty members are encouraged to participate in both national and international academic conferences, which serve to enrich their teaching and research capabilities. Research constitutes a vital element of the teaching-learning and development of a higher educational institution. Research fosters the development of knowledge which is the aim of the overall system of education. Therefore, the Institution is committed to providing the best possible incentives to promote research. The Institute firmly believes that by fostering academic and research excellence among its faculty, it can make a significant contribution to the broader educational landscape and the advancement of knowledge.

Objectives

Faculty Empowerment support policy of the Institute has the following objectives:

- Promote the faculty members to attend national and international seminars/conferences/workshops/FDP/training.
- Encourage faculties (Teaching) to present their research work and interact with experts in their respective disciplines.
- Support Faculties to take membership in professional bodies.

Rules and Directives

- a) A faculty can participate annually in two international conferences/ seminars/workshops and two national conferences /seminars/workshops.
- b) Only a confirmed member of the faculty and with a minimum One year of service at IIMS is eligible to participate in these conferences/seminars. However, for the first year of service, a faculty may attend these conferences/seminars with special permission.
