**Report of Seminar on Research for Start-up**

TIME: 11:00 pm TO 1:00pm

DATE: 18/10/2018

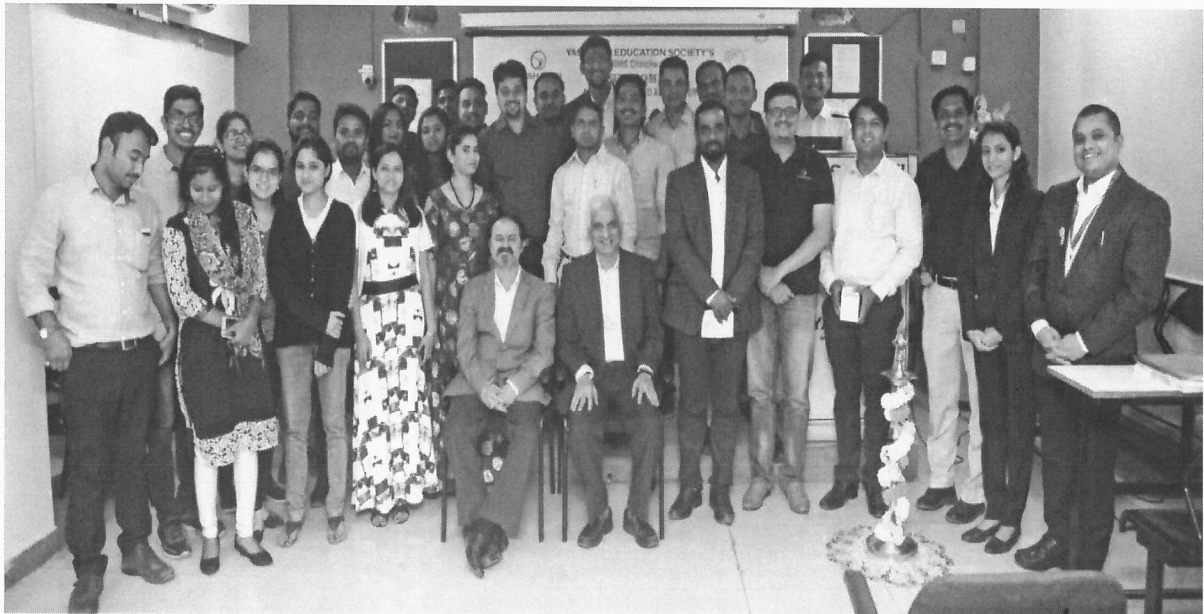

International institute of management science organized the seminar on "Research for Start-up" provided invaluable insights into the crucial role of research in the success of start-up ventures. Held at Seminar Hall, IIMS chinchwad. the event brought together aspiring entrepreneurs, seasoned industry professionals, and researchers to explore the intersection of innovation and research in entrepreneurial endeavours.

The seminar emphasized that research forms the bedrock of any successful start-up. It helps in understanding market needs, identifying gaps, and developing innovative solutions. Speakers highlighted examples where thorough research enabled start-ups to pivot effectively and capture emerging market opportunities.

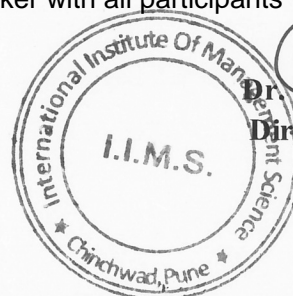

Successful start-up founders shared their journeys, emphasizing the pivotal role of research in their innovation process.

The seminar concluded with a consensus on the transformative power of research in shaping the trajectory of start-ups. Participants left with actionable insights and a deeper understanding of how to integrate robust research practices into their entrepreneurial ventures.
