## Report on Webinar on Innovation and Intellectual Property Rights

Date 26-10-2021

Time: 3.00 Pm -5.00 pm

The Webinar on "Innovation and Intellectual Property Rights" was conducted on October 26, 2021, the Webinar aimed to enlighten entrepreneurs, researchers, and business professionals on the significance of intellectual property rights (IPR) in fostering innovation and protecting creative works. The event saw participation from over 67 attendees, including start-up founders, legal experts, and academicians.

Attendees participated in workshops focusing on different types of IP, such as patents, trademarks, and copyrights. The workshops included hands-on activities like drafting patent claims and conducting trademark searches.

An open Q&A session allowed participants to seek advice on specific IP issues, such as protecting software innovations, handling IP disputes, and IP considerations in international markets.

The "Innovation and Intellectual Property Rights" webinar successfully educated participants on the critical role of intellectual property in fostering innovation and protecting business interests. The event provided valuable insights and practical guidance on managing IP effectively.
