

**Report on 'Vachan Prerna Divas' (Inspire to Read Day) on
Oct 15: 'Promote book reading on Dr Kalam's Birth
Anniversary'**

Yashaswi's IIMS celebrated Birth Anniversary of **APJ Abdul Kalam** on the 15th of October 2020. Director Dr. Shivaji Mundhe welcomed the gathering on occasion of Birth Anniversary of **APJ Abdul Kalam**. Dr. Shivaji Mundhe explained the life journey of **APJ Abdul Kalam** (Avul Pakir Jainulabdeen Abdul Kalam), he was an Indian aerospace scientist and politician who served as the 11th President of India from 2002 to 2007. He was born and raised in Rameswaram, Tamil Nadu and studied physics and aerospace engineering. He spent the next four decades as a scientist and science administrator, mainly at the Defence Research and Development Organisation (DRDO) and Indian Space Research Organisation (ISRO) and was intimately involved in India's civilian space programme and military missile development efforts. He thus came to be known as the *Missile Man of India* for his work on the development of ballistic missile and launch vehicle technology. He also played a pivotal organisational, technical, and political role in India's *Pokhran-II* nuclear tests in 1998, the first since the original nuclear test by India in 1974.

Kalam was elected as the 11th President of India in 2002 with the support of both the ruling Bharatiya Janata Party and the then-opposition Indian National Congress. Widely referred to as the "People's President" he returned to his civilian life of education, writing and public service after a single term. He was a recipient of several prestigious awards, including the Bharat Ratna, India's highest civilian honour.

Bhilar village in Satara district, which was recently crowned as the first 'book village of India'.

All libraries in schools and colleges could set up 'APJ Abdul Kalam Reading Katta', or an informal platform where students can gather and discuss books, writers and literary works.

Institutions developed ideas and programmes to once again, cultivate the habit of reading among youngsters. 16 Local members taken part in the event.

It was a good learning experience for teaching and non-teaching staff.
