### Objective of the Event:

The objective of the e-waste drive was to promote responsible disposal of electronic waste within the college community, raise awareness about the environmental impact of e-waste, and encourage sustainable recycling practices.

By collecting of e-waste, we prevented these items from ending up in landfills, contributing to environmental pollution. Dr. Bharat Kasar – Director of Rasiklal M. Dhariwal Institute of Management, was given the e waste to Prof. Mahesh Mahankal - IIMS, Chinchwad.

The e-waste drive facilitated the responsible recycling of electronic devices, reducing the carbon footprint associated with electronic waste disposal.

Through educational initiatives accompanying the drive, we raised awareness about the importance of recycling e-waste and promoted sustainable practices within the college community.

We plan to continue organizing e-waste drives on a regular basis to sustain the momentum of responsible e-waste disposal and recycling efforts within the college. Additionally, we aim to expand educational initiatives to further engage the college community in environmental stewardship.
