Dear Dr. Marathe

We appreciate your efforts in running Bosch BRIDGE Program in your center. Bosch has revised its BRIDGE program and wish to offer you an opportunity to get your center empaneled.

We would like to reiterate that the empanelment of your center is being offered as a part of Bosch CSR BRIDGE program, free of charge, with following understanding.

1. Bosch may support in providing learner kits to the approved students enrolled in your centre. Maximum of two batches (with max 25 students per batch each) may be supported with learner kits, if approved by the verification team of Bosch. The team will verify all the documents and contact the students/their parents before taking a final decision. Pls note that Bosch's decision to supply the learner kit or not will be final and binding, as there are commercials involved.
2. One trainer from your centre would be given an opportunity to undergo BRIDGE Train the Trainer program, if approved by Bosch. Approved trainer will be invited for a residential "Train the trainer" program. Bosch will not charge any training fee but only one trainer will be offered this support. Bosch's decision to accept or reject a trainer for this training of trainer program will be final and binding.
3. Bosch, at its discretion, may assist and support the placement of students enrolled in its pre-approved batch, who pass in the assessment conducted by Bosch. We would like to emphasise that Bosch stands no guarantee and does not take any direct responsibility to ensure placement .There are NO JOBS in Bosch.
