The Institute is committed to Growing students into better professionals by developing skills, attitude and value through industry mentor- mentee programme. IIMS aims on transforming the young minds to be globally competitive and socially committed business managers who will be capable of owning, operating and managing the business.

## ■ ABOUT THE CONFERENCE

3rd edition of the International Conference on innovations in management & information technology aims to serve as an open forum of academics as well as practicing managers to discuss the issues, challenges and opportunities presented by post-pandemic. Innovation has been a loyal companion to mankind since the dawn of creation. The current pandemic has although disrupted lives around the globe, it has also underscored and intensified the need for innovation in most all spheres of business management and technology to meet the resulting challenges. With the rapid development in e-business and technology, enterprises are now facing escalating competitions and vague opportunities. The goal of this conference is to provide a forum for academics, industry practitioners, and non-governmental organisations to discuss their perspectives, conduct research, and share their experiences of doing business / helping people at the bottom of the pyramid with advances in management through innovation, research, and technology.

The conference hopes to gather intellectuals working in the digital sector, which would aid in information transfer comprehending and advocating excellent practices / barriers in the digital realm, as well as motivating researchers to identify and address new gaps and issues in this burgeoning research topic.

## ■ **OBJECTIVES**

- To provide an international forum to exchange information, share experiences and research results from various specialized and interdisciplinary fields in business and management.
- To bring academicians, leading researchers, scholars as well as innovative practitioners from industry, on to common platform to help increase knowledge, skills and insights into promoting managerial innovations.
- To help the participants establish professional networks in their respective fields and form collaborative relationships.

## ■ **PARTICIPANTS**

The Conference is open for Academicians, Researchers, Professionals, Industrialists Consultants, Government Officials from PSU's and other departments, Research Scholars and Students. During ICIMIT 2023 the research community, academicians & industry experts will be exposed to a premier interdisciplinary platform for learning the applicability and impact of next-generation technological innovation used in Business Management, Data Science, Global Economy and Social Science.
