

Institute Scholarship Policy

The aim of the institute is to create centre of excellence in developing high quality professionals in the field of Management and Information Technology. In view of this, Institute has introduced Scholarship to the students found eligible and suitable for grant of the scholarship irrespective of caste, creed and religion. **Institute scholarship is to provide financial assistance to needy & economically backward student on case to case basis & Employee & their family Members of Yashaswi Group.** The students already availing of any Government or non-government scholarships do not come under the Institute scholarship policy

Institute scholarship policy is framed to ensure fair and equitable policy and procedures which are implemented to assist students in the payment of fees. Scholarship will be reviewed on a regular basis and the Management reserves the right to introduce any such new scholarships or may be ratified on need basis. All such scholarship applications received from students / staff will be suitably scrutinized and appropriate recommendations will be made to the Board of Management for final approval

The students will apply offline for grant of Institute scholarship along with requisite documents and such applications will be received by the student section of the Institute for further processing. It will be forwarded to College Director for its scrutiny along with necessary enclosures with the application. After being satisfied with the authenticity, correctness of information furnished and the enclosed documents, the Director will recommend the same to the Presidents of the institute for consideration. The Director will recommend the same to the Management for approval or otherwise on merits of each case under consideration.

Due to increase in the fees management has decided the difference amount of actual fees and calculated fees will be treated as institute level scholarship hence the difference amount of fees should not be collected from student
