Report on International Women's Day

Yashaswi's IIMS celebrated International Women's Day on 8th March 2022 3.00 pm to 4.00 pm. at Room no.101 under the initiative of IQAC Cell.

"Women should actively participate in the decision making"

The event is organised by IIMS- MBA & MCA Students.

Dr. Shivaji Mundhe- Director, IIMS welcomed gathering on this occasion and in his opening remark he highlighted the origin of Women's day. The earliest purported Women's Day observance, called "National Woman's Day" was held on February 28, 1909, in New York City, organized by the Socialist Party of America at the suggestion of activist Theresa Malkiel.

There have been claims that the day was commemorating a protest by women garment workers in New York on March 8, 1857, but researchers have alleged this to be a myth intended to detach International Women's Day from its socialist origin.

In India, national women's day is observed on February 13 to commemorate the birth anniversary of Sarojini Naidu, who was a pioneer in advocating for women's rights. A political leader and a poet as well, Sarojini Naidu was called as the Nightingale of India.

Student's celebrated the event while cutting the Cake.

Students facilitated to women faculty members on this occasion of International Women's Day.

Faculty members facilitated the girls of the MBA and MCA Students.
