Report on Competitive & Banking Examination.

Date: 26/02/2022

Time: 2:00pm to 4:00pm

International institute of management science has organized Competitive & Banking Examination by Prof. Mahesh Mahankal. The Competitive and banking examinations are critical gateways for individuals aspiring to secure positions in government services, public sector banks, and other financial institutions. These exams are designed to assess candidates' aptitude, reasoning skills, general awareness, and proficiency in English.

Prof Mahesh Mahankal covered Quantitative Aptitude: Number systems, simplification, percentages, ratios, profit and loss, simple and compound interest, time and work, time, speed and distance, permutations and combinations.

Some session on General Awareness: Topics Covered: Current affairs, banking awareness, economic concepts, important dates and events, government schemes. Preparation Tips: Stay updated with daily news and current affairs. Read monthly magazines on banking and finance.

Focus on static general knowledge.

Preparation for competitive and banking examinations requires a strategic approach, consistent practice, and thorough understanding of the subjects. Candidates should focus on strengthening their fundamentals, improving speed and accuracy, and staying updated with current affairs to succeed in these exams. With dedication and the right preparation strategies, aspirants can significantly enhance their chances of securing their desired positions.

The Program Close with Vote of thanks by Prof. Gangadhar Dukare
