## Report on Navratri Celebration

Yashaswi's IIMS celebrated Shardiya Navratri 2020 on the 17<sup>th</sup> of October 2020. Director Dr. Shivaji Mundhe welcomed the gathering on occasion of Shardiya Navratri 2020. Dr. Shivaji Mundhe did the puja of Lord Saraswati and explained the Navratri is a 9-day Hindu festival dedicated to the supreme Goddess Durga. Each day of Navaratri is dedicated to an incarnation of Durga. Maa Durga is known as the universal protector and wards off evil spirits and demons from one's life. Navratri is celebrated 5 times a year as per Hindu traditions. People hail and carry our Durga puja and wish for great life, compassion, wisdom and prosperity. The nine incarnations of Maa Durga are as follows:

1. Maa Shailputri
2. Maa Brahmacharini
3. Maa Chandraghata
4. Maa Kushmanda
5. Maa Skand Mata
6. Maa Katyayani
7. Maa Kaalratri
8. Maa Mahagauri
9. Maa Siddhidatri

The festival of Navratri holds a great significance in Hinduism as it marks the triumph of good over evil. These nine days are considered sacred and pious, and consumption of alcohol, meat, onion and garlic is strictly prohibited. People avoid carrying out any unlawful activity and perform ceremonies, rituals, yagnas and much more.

It was a good learning experience for teaching and non-teaching staff. Vote of thanks given by Prof. Mahesh Mahankal

## Report on Decision Science Competition

Total 19 students participated in the Decision science competition.

We are living in an era where we all are grappled with the uncertain circumstances, unprecedented events and unforeseen incidences. Decision making in these times have gained momentum. The ability to make right and crucial decisions at right time has become pivotal to sail through the difficult situations. Fortunately we have developed some wondrous decision making tools to help us find solutions to the lingering problems in our routine business and operational functioning. When it comes to the subject of 'Decision Science' in the curriculum of Management program, we normally tend to focus more on the students struggling to understand the concepts and clearing their exams. But nobody cared to pay heed to those who love the subject and have fun solving the numerical to get that feel of ecstasy after arriving at the desired solution. Keeping this in mind Dnyansagar Institute of Management & Research had organized a 'Decision Science Competition' for the students of Management programs of SP Pune University.

This event was supported by 'puneMBA.com'. To our utmost surprise, the concept was very well received by the student community. We received an astonishingly overwhelming response and witnessed more than 350 registrations. The students enthusiastically participated in the numerical solving competition.

The competition was graced with the address by three subject experts; Dr. Satish Ubale, Director, Matrix School of Management Studies, who addressed the participants on the topic 'Thought behind the redesigning of the Syllabus and expectation from Students'. Dr. Roshan Kazi, Director, Allana Institute of Management Sciences, who guided the participants on the topic 'Future of Data Science and how Decision Science can help?' Dr. Ranjeet Chitale, Associate Professor, PUMBA & Renowned Author, who guided the students on the topic 'How to study and score in Decision Science?' DIMR congratulates All the Winners & Participants from various Management Institutes across of SP Pune University

Director Dr. Shivaji Mundhe welcomed the gathering on occasion of Birth Anniversary of APJ Abdul Kalam. Dr. Shivaji Mundhe explained the life journey of APJ Abdul Kalam (Avul Pakir Jainulabdeen Abdul Kalam), he was an Indian aerospace scientist and politician who served as the 11<sup>th</sup> President of India from 2002 to 2007. He was born and raised in Rameswaram, Tamil Nadu and studied physics and aerospace engineering. He spent the next four decades as a scientist and science administrator, mainly at the Defence Research and Development Organisation (DRDO) and Indian Space Research Organisation (ISRO) and was intimately involved in India's civilian space programme and military missile development efforts. He thus came to be known as the *Missile Man of India* for his work on the development of ballistic missile and launch vehicle technology. He also played a pivotal organisational, technical, and political role in India's *Pokhran-II* nuclear tests in 1998, the first since the original nuclear test by India in 1974.

Kalam was elected as the 11<sup>th</sup> President of India in 2002 with the support of both the ruling Bharatiya Janata Party and the then-opposition Indian National Congress. Widely referred to as the "People's President" he returned to his civilian life of education, writing and public service after a single term. He was a recipient of several prestigious awards, including the Bharat Ratna, India's highest civilian honour.

## INTERNATIONAL INSTITUTE OF MANAGEMENT SCIENCE

Bhilar village in Satara district, which was recently crowned as the first 'book village of India'.

All libraries in schools and colleges could set up 'APJ Abdul Kalam Reading Katta', or an informal platform where students can gather and discuss books, writers and literary works.

Institutions developed ideas and programmes to, once again, cultivate the habit of reading among youngsters.

It was a good learning experience for teaching and non-teaching staff.

Yashaswi's IIMS celebrated National Constitution Day or Samvidhan Divas today, November 26 2020. On this day, in 1949, the Constituent Assembly adopted the Constitution of India. The Indian Constitution came into force on January 26, 1950.

Director Dr. Shivaji Mundhe welcomed the gathering on occasion of National Constitution Day.

Dr. Shivaji Mundhe cites that the National Constitution Day - The Government of India declared 26 November as Constitution Day on 19 November 2015 by a gazette notification. The year of 2015 was the 125th birth anniversary of Ambedkar, who had chaired the drafting committee of the Constituent Assembly and played a pivotal role in the drafting of the constitution. Previously this day was celebrated as Law Day. 26 November was chosen to spread the importance of the constitution and to spread thoughts and ideas of the Dr. B. R. Ambedkar.

HR 5.0. is a framework which is slowly budding for shaping people's strategies in the Fourth & Fifth Industrial Revolution stage.

This is an initial response to the changing role of organizations in the context of this challenge. It explores why the Fourth & Fifth Industrial Revolution creates the impetus for transformation in people strategies and HR practices, outlines what business leaders—including Chief People Officers, Chief Human Resource Officers, CEOs, and other C-suite leaders—can do to respond and describes how organizations are already responding to the need for change, with examples of emerging roles, technologies and critical skills for the future of HR.

Director Dr. Shivaji Mundhe sir welcomed to our today's guest Dr. Vinod Babar sir and also gathering on occasion of Birth Anniversary of **Chhatrapati Shivaji Maharaj**. Dr. Shivaji Mundhe Sir explained the life journey of **Chhatrapati Shivaji Maharaj**. He was a Management Guru. The event was conducted online mode on the MS team platform.

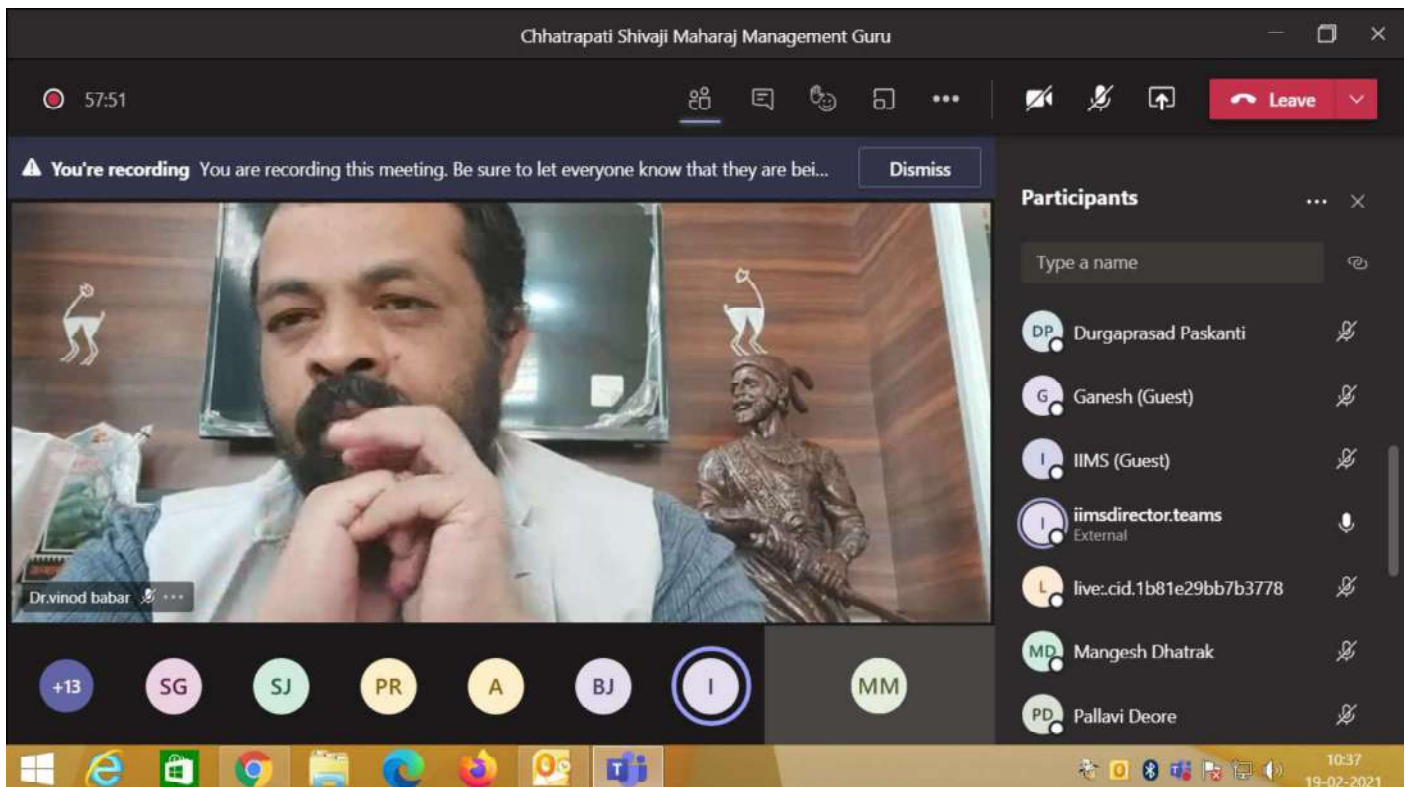

Dr. Vinod Babar sir given inputs to the student to follow the **Chhatrapati Shivaji Maharaj** techniques for your success. Shivaji Bhonsle, also known as **Chhatrapati Shivaji Maharaj**, was an Indian warrior king and a member of the Bhonsle Maratha clan. **Chhatrapati Shivaji Maharaj** carved out an enclave from the declining Adilshahi sultanate of Bijapur that formed the genesis of the Maratha Empire. In 1674, he was formally crowned as the Chhatrapati (Monarch) of his realm at Raigad. **Chhatrapati Shivaji Maharaj** established a competent and progressive civil rule with the help of a disciplined military and well-structured administrative organisations. He innovated military tactics, pioneering non-conventional methods which leveraged strategic factors like geography, speed, and surprise and focused pinpoint attacks to defeat his larger and more powerful enemies. He revived ancient Hindu political traditions and court conventions and promoted the usage of Marathi and Sanskrit, rather than Persian, in court and administration. Students have to create their brand from the working style in the organisation in any field as like **Chhatrapati Shivaji Maharaj** created. Students have to take right decision at right point of time, follow the leadership style and always keep plan B ready at any point of time. Students are fully motivated by Dr. Vinod Babar Sir.

It was a good learning experience for students, teaching and non-teaching staff.
