### Report on Dandiya program

Date: 18<sup>th</sup> October 2022  
Time: 03:00pm to 05:00pm  
Coordinator: Prof. Prashant Wadkar

Yashaswi Education Society's International Institute of Management Science (IIMS), Chinchwad organised the Cultural program of Dandiya to celebrate Navaratri Festival in the campus.

Dandiya festival, also known as Navratri, is a vibrant and energetic celebration observed by Hindus, particularly in the Indian state of Gujarat and other parts of India. The festival typically spans nine nights and is dedicated to worshiping the Hindu goddess Durga in her various forms. Each night represents one of the nine forms of the goddess.

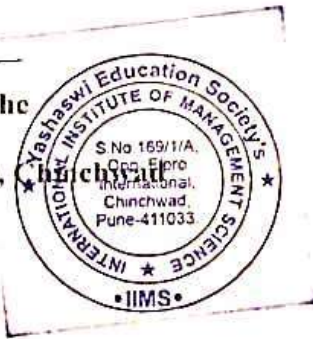

The festival is not just about religious observance but also a time for socializing, feasting, and enjoying cultural performances. It brings communities together in a spirit of joy and camaraderie. The culmination of Navratri is marked by Dussehra, which commemorates the victory of good over evil, symbolized by the triumph of Lord Rama over the demon king Ravana.

Dr. Shivaji Mundhe addressed the gathering and explained the importance of team work and socialising to the students and faculty members

Students expressed satisfaction and gratitude towards the Institute for organizing this session.

## National Constitution Day 2022

Yashaswi's IIMS celebrated National Constitution Day or Samvidhan Divas today, November 26 2022. On this day, in 1949, the Constituent Assembly adopted the Constitution of India. The Indian Constitution came into force on January 26, 1950.

Director Dr. Shivaji Mundhe welcomed the gathering on occasion of National Constitution Day.

Dr. Shivaji Mundhe cites that the National Constitution Day - The Government of India declared 26 November as Constitution Day on 19 November 2015 by a gazette notification. The Prime Minister of India Narendra Modi made the declaration on 11 October 2015 while laying the foundation stone of the Dr. B. R. Ambedkar's Statue of Equality memorial in Mumbai. The year of 2015 was the 125th birth anniversary of Ambedkar, who had chaired the drafting committee of the Constituent Assembly and played a pivotal role in the drafting of the constitution. Previously this day was celebrated as Law Day. 26 November was chosen to spread the importance of the constitution and to spread thoughts and ideas of the Dr. B. R. Ambedkar.

Director Sir highlighted Constitution Day is not a public holiday and various departments of the Government of India celebrated the National Constitution Day. As per the Department of Education and Literacy, the preamble of the constitution was read in all schools by all students.

It was a good learning experience for teaching and non-teaching staff.

Vote of thanks given by Prof. Mahesh Mahankal

Thank You

**The Role of Teachers is important to create a future generation that preserves humanity - Swati Mahalank**

Senior journalist and executive head of Rambhau Mhalgi Prabodhini's Center for Institutional Buildings and Leadership Studies, Swati Mahalank expressed the opinion that the role of teachers is very important to create a future generation that preserves humanity and in that regard the teachers should strive to update themselves. She was speaking while guiding a one-day workshop on 'Samvad 'Shikshakanshi"' organized by Yashasvi Education Society's International Institute of Management Science (IIMS) at Chinchwad on the occasion of Teacher's Day.

Speaking on this occasion, he gave detailed guidance on how to be a dedicated teacher by giving examples of various events and incidents from his own mind.

Just as it is the primary duty of a teacher to make a student pass well in studies, similarly it is to inculcate the values of life in him through his own conduct in order to make that student a good human being and an ideal citizen.

Mahalank said that it should be remembered that teachers have the primary responsibility. She said that as much as it is necessary for teachers to make appropriate changes in their teaching style in order to make them capable of facing those challenges, keeping in mind the challenges faced by today's young generation, it is necessary to make earnest and loyal efforts to create bridges of communication between students and teachers by preserving the sensitive person in themselves.

On this occasion, Director of International Institute of Management Science (IIMS) of Yashasvi Education Society, Dr. Shivaji Mundhe commented on how valuable the contribution of teachers is in shaping the future generation. On this occasion, the directors of Yashasvi Academy for Skills- Rajesh Nagre, Sanjay Chhatre along with all the teachers and trainers of

the institute were present in large numbers. Pavan Sharma gave vote of thanks for the programme.
