### Ban on use of Plastic

We want to draw the attention of the students, teachers and stake holders to the hazardous effects of plastic carry bags. We all have witnessed how plastic bags are used recklessly by everyone without giving a second thought about the danger it can cause to the environment. Plastic is non-biodegradable and it pollutes our environment very badly and it makes the land barren. Rubbish in the form of plastic bags, thrown into gutters leads to problem of water dogging especially during the rains.

When garbage is burnt along with plastic the smoke it emits leads a disastrous effect on health. Animals are the victims of plastic carry bags, they chew it and carry bags clog their intestines, it leads to an untimely death of animals. Many times vegetables are kept in plastic bags by many housewives, there are unaware of the toxic chemicals used while making plastic bags.

To take towards green and clean campus, all stake holders, students and teachers are hereby informed that the use of Plastic Bag is STRICTLY banned in the campus.

**Say 'NO' to plastic. Don't laminate the earth!**

### Use of Bicycles/ Battery powered vehicles

This is to inform you that the institute will going to implement the policy of **No Vehicle Day on every Saturday**. We all are aware of the problem of pollution arising due to usage of petrol and diesel. The gases arising from the cars and bikes are increasing the problem of asthma, stress and also decrease the ozone layer of earth. We can take the step for **using Bicycles or use Battery Powered Public Transport facility** of Pune Municipal Corporation and Pimpri Chinchwad Municipal Corporation.

Institute provide **Free Parking Facility for Bicycles** in the premises.

This will create the awareness among all stake holders.
