

Energy Usage Policy

Preamble

Yashaswi Education Society's International Institute of Management Science believes and maintains its own standard in perseverance of environment and effective energy usage. This policy is designed to manage energy in such a systematic way so as to minimize its impact on the environment. The policy implies to explore the renewable energy resources to reduce the burden of the government and to find out suitable natural resources as solutions to the energy crisis. It will help us embed efficiency and environmental awareness into everyday activities, thus helping us to realize our responsibilities and commitments to conservation of natural resources and to limit its usage

Energy Usage Policy

Topic	Energy Usage Policy
Aim	To create awareness amongst the students, teaching and non-teaching staff of Yashaswi Education Society's International Institute of Management Science (IIMS) for commitment towards sustainable efforts for energy conservation and usage.
Policy Objectives	<ol style="list-style-type: none"> 1. To spread awareness about impending energy crisis. 2. To educate about global warming, carbon foot print and climate changes 3. To Promote Energy Conservation as a mission across stakeholders 4. To promote use of solar energy 5. To advocate adoption of Renewable Energy
Policy Applicability	This policy is applicable to all students, faculty and staff of the International Institute of Management Science.
Policy Details	<ol style="list-style-type: none"> 1. There shall be efforts to implement energy-efficient technologies and practices to optimize energy use in campus buildings, lighting, and equipment. 2. There shall be efforts to maximize the use of LED lighting, motion sensors wherever possible 3. It will be instructed to switch off lights, fans and air conditioners when not in use and display boards will be displayed for the reminder. 4. An energy audit will be conducted periodically 5. Equipment which consume high level of energy need to be replaced
Policy Compliance	<ol style="list-style-type: none"> 1. IIMS will continue to comply with all relevant environmental regulations, standards and other codes of practice by operating and maintaining the assets within the boundary of permits, consents and licenses. 2. College Development Committee shall establish a system for reporting environment related parameters, deviations and constraints to management. 3. The programs to create awareness will be conducted on regular basis.

Yashaswi Education Society's
INTERNATIONAL INSTITUTE OF MANAGEMENT SCIENCE
An ISO 9001 Certified Institute
(Approved by AICTE Ministry of HRD Govt. of India, Recognised by Govt. of Maharashtra
and Affiliated to Savitribai Phule Pune University)

Reg No. Maha - 417/2007/1000

Campus : IIMS Bldg. S. No. 169/1/A, Opp. Elpro International, Chinchwad, Pune - 411033 Ph: (020) 27351730/32/3334, Fax: (020) 27354731
Website : www.iims.ac.in E-mail: info@iims.ac.in

	<ol style="list-style-type: none">4. Educational campaigns and workshops should be organized to raise awareness about energy conservation and sustainability among students, faculty, and staff.5. Training programs should be conducted to empower our campus community to adopt energy saving practices in their daily activities.6. Dialogue and deliberations about carbon emissions and global warming should be organized regularly7. Learners should be made to realize the need for energy saving8. Regular monitoring and evaluation of energy usage shall be conducted to assess progress towards our energy conservation goals.9. Efforts to increase the supply the grid through solar panels should be explored.10. Key performance indicators, such as energy consumption metrics and cost savings, will be tracked to measure the effectiveness of our energy management efforts.11. To develop and maintain an environmental management system which is ISO: 21000:201812. Collaborations with renewable energy providers and government initiatives will be pursued to facilitate the adoption of renewable energy sources.
Non-Compliance	If any student or staff is found violating the norms of Green Campus policy is liable to face ICC committee for further action.
