Yashaswi Education Society's International Institute of Management Science made arrangements for Students, teachers and Staff to view the address of Hon'ble Prime Minister Shri Narendra Modi on the occasion of launch of a major initiative called 'Viksit Bharat@2047' on 11th December 2023 at 10:15am.

Dr. Shivaji Mundhe welcomed all students, staff and faculty members for the live webcast of Hon. Hon'ble Prime Minister of India, Shri Narendra Modiji on launch of 'Viksit Bharat@2047'.

Director Dr. Mundhe informed students and faculty members about the purpose and importance of the programme.

Students, faculty, and staff participated in the live telecast/webcast of the inaugural Session addressed by Hon'ble Prime Minister of India, Shri Narendra Modiji.

In his inaugural address, Shri Narendra Modiji said that every country experiences a phase in its history when it propels its developmental journey multiple folds ahead. It's like the 'Amrit Kaal' (golden era) for that nation. For Bharat, this 'Amrit Kaal' has arrived now. This is the period in the history of Bharat when it is about to take a quantum leap. There are numerous examples around us of countries that have, at a certain point in time, taken such a quantum leap and transformed themselves into developed nations. That's why I say, now is the time for Bharat, this is the right time. We must make the most of every moment of this 'Amrit Kaal'; we can't afford to lose even a single moment.

He said, every individual, every institution, every organization must move forward with the pledge that whatever I do, it should be for a 'Viksit Bharat'. Your goals, your resolutions should have only one aim – 'Viksit Bharat'. As a teacher, think about what you can do to help the country achieve the goal of a 'Viksit Bharat'. As a university, think about what you can do to make Bharat developed

rapidly. In whatever field you are in, think what and how it can be done so that Bharat moves ahead rapidly on its path to becoming developed?

Further Shri Modiji said that we need to walk the roadmap of progress, and it won't be solely determined by the government; the nation will shape it. Every citizen will have to give his input and actively participate in it. 'Sabka Prayas', meaning everyone's effort, is a mantra that turns the biggest resolutions into reality.

Participants actively noted the important points discussed by Hon. Shri. Narendra Modi.

The participant staff members and students expressed gratitude for organizing the live Webcast of this event.
